THE DEFENSE/SHIELD

ΑΠΟΛΟΓΙΑ OF SOCRATES ΣΩΚΡΑΤΟΥΣ

[The Disposition , Ethical Character]

[ΗΘΙΚΟΣ]

Socrates: **1** On the one hand , in what way , O gentlemen of Athens , Thou have been **affected**
17A μεν Ο τι , ω ανδρες Αθηναιοι , υμεις πεπονθεατε
by my accusers , I do not know ; while I , on the other hand , and **because** of selves , Self
υπο εμων των κατηγορων , ουκ οιδα : ουν εγω δ' και **υπ'** αυτων αυτος
was almost made to forget Myself , so **persuasively** did they speak . And yet there was indeed
ολιγου επελαθομην εμαυτου , ουτω **πιθανως** ελεγον . καιτοι γε
not one **Word/Logos** spoken that is **True** . But I was especially amazed by one , of the many
ουδεν **επος** ειπεν ως **αληθες** , δε μαλιστα ωθαυμασα εν των πολλων
lies which selves told ; namely this one , in which they said that Thou must be on guard ,
ων αυτων **εψευσαντο** , τουτο , εν ω ελεγον ως υμας χρη ευλαβεισθαι ,
not to be **deceived by** Myself , because I was a “**clever/dangerous/devious/fearful** speaker” .
μη **εξαπατηθητε** **υπ'** εμου , ως οντος **δεινου** λεγειν .
17B Since by the very fact that they are not ashamed , that they will be immediately refuted by
 γαρ το εργω μη αισχυνθηναι οτι αυτικα εξελεγχθησονται **υπ'**
Myself , when I show myself not to be in the very least , a “**skilful** speaker” . This appeared to me
εμου , επειδαν φαινωμαι μηδ' οπωστιουν **δεινος** λεγειν , τουτο εδοξεν μοι
to be the most shameless aspect of selves , unless they thus call that very one “**a fearful** speaker”
ειναι αναισχυντοτατον αυτων ει μη αρα καλουσιν ουτοι **δεινον** λεγειν
the one who speaks **The Truth** ; for if on the one hand , this is what they mean , then I would
τον λεγοντα ταληθη : γαρ ει μεν τουτο λεγουσιν , αν
agree that I am indeed an **Orator** , but *not* on the other hand , according to their **kind** .
ομολογοιην εγωγε **ρητωρ** ου κατα τουτους .
Thus , these men on the one hand , as I say , have either said little or nothing that is **True** ; but
ουν ουτοι μεν , ωσπερ εγω λεγω , η ειρηκασιν τι η ουδεν αληθες :
on the other hand , Thou shall hear nothing but **The Truth** from Myself . However O gentlemen
δ' υμεις ακουσεσθε πασαν την αληθειαν εμου . μεντοι ω ανδρες
of Athens , by **Zeus** , *not* with **Logos** finely decked out with phrases and names , *nor* carefully
Αθηναιοι , μα Δια ου λογους γε κεκαλλιεπημενους ρημασι τε και ονομασιν , ουδε κεκοσ-
17C embellished like theirs , but Thou will hear those names spoken that occur to me sponta-
μημενους ωσπερ οι τουτων , αλλα ακουσεσθε τοις ονομασιν λεγομενα επιτυχουσιν
-neously , for I **Trust** that **What I Say** is **Just** ; and let none of Thyselves expect otherwise .
εικη , γαρ **πιστευω** α λεγω ειναι **δικαια** , και μηδεις υμων προσδοκησατω αλλως :
For without a doubt neither would it be **Proper** , O men , for one of my age to come before Thee
γαρ δηπου ουδε αν **πρεποι** , ω ανδρες , τηδε τη ηλικια εισιεναι εις υμας
like a youngster making up **Logos**’ . And to be sure , O gentlemen of Athens , this I urgently
ωσπερ μεираκιω πλαττοντι λογους . και μεντοι , ω ανδρες Αθηναιοι , τουτο πανυ

beg and beseech of Thee , that if Thou hear me making my defense in the same way which I have
δεομαι και παριεμαι υμων : εαν ακουητε μου απολογουμενου δια των αυτων δι' ωνπερ
been accustomed to speak both in the market place at tables of money-changers , where many of
ειωθα λεγειν και εν αγορα επι των τραπεζων , ινα πολλοι
Thee have heard me and elsewhere , do not be surprised or to make a disturbance because of this .
υμων ακηκοασι , και αλλοθι , μητε θαυμαζειν μητε θορυβειν ενεκα τουτου .
17D For the fact is , that now is the first time I have come up before the court , although I am
γαρ ουτωσι εχει , νυν πρωτον εγω αναβεβηκα επι δικαστηριον , ετη
seventy years old ; therefore , I am simply a foreigner to the manner of speech herein . Therefore
εβδομηκοντα γεγονως : ουν εχω ατεχνως ξενως της λεξως ενθαδε . ουν
just as if I really happened to be a foreigner , Thou would of course allow it to me , if I spoke
ωσπερ αν ει τω οντι ευτυχανον ων ξενος , αν ξυνεγιγνωσκετε δηπου μοι ει ελεγον
18A in that dialect and that way , in which I had been brought up , so now , surely then I also
εν τη εκεινη φωνη τε και τρωπω , εν οισπερ ετεθραμην , και νυν δη και
request this of Thee ; a **Just** one , as it truly appears to me , that if on the one hand , Thou would
δεομαι τουτο υμων **δικαιον** , ως γε δοκω μοι , εαν μεν
allow me , my way of speaking in the same way ; for it might be worse , but perhaps **Better** .
τον τροπον της λεξεως ισως , γαρ μεν αν ειη χειρων , δε ισως βελτιων :
Pay Attention then , and **Offer-up The Mind** to **This Self** , if **This** that I **Say** , is **Just** , or not ;
σκοπειν δε και **προσεχειν τον νουν** τουτω αυτο , ει τουτο λεγω **δικαια** η μη
for on the one hand , **Self** is **The Excellence** of **The Judge** , while on the other hand **The Virtue**
γαρ μεν αυτη **αρετη δικαστου** , δε
of **The Orator** is to speak **The Truth** .
ρητορος λεγειν ταληθη .

2 Therefore , first of all , on the one hand , it is **Just** for me to defend myself , O Athenian men ,
ουν Πρωτον μεν δικαιος ειμι απολογησασθαι , ω Αθηναιοι ανδρες ,
against the first false accusations , and those first accusers of mine , and then on the other hand ,
προς τα πρωτα ψευδη κατηγορημενα και τους πρωτους κατηγορους μου , επειτα δε
18B against the later accusations and the later accusers . For many accusers have risen up against
προς τα υστερα και τους υστερους . γαρ πολλοι κατηγοροι γεγονασι προς
Myself before Thee , and have already for many long years , said nothing that is **True** ; and
εμου υμας και ηδη πολλα παλαι ετη λεγοντες ουδεν αληθες , και
which I fear more than Anytos and the rest , even though these are also **dangerous** ;
ους εγω φοβουμαι μαλλον η Αυτον τους αμφι , καιπερ τουτους οντας και **δεινους**
but those others are more **dangerous** , O gentlemen , those who took hold of most of Thyselves
αλλ' εκεινοι **δεινότεροι** , ω ανδρες , οι παραλαμβανοντες τους πολλους υμων
to persuade Thee , when Thou were children , and accused me without any **Truth** , saying that ,
επειθον εκ παιδων τε και κατηγορουν εμου ουδεν **αληθες** , ως
“There is a certain wise guy , Socrates , who thinks about and investigates everything in Heaven
εστι τις σοφος ανηρ , Σωκρατης , φροντιστης τε ανεζητηκως τα απαντα μετεωρα
and of those under the Earth and who makes the weaker argument/**Logos** the stronger .”
και τα υπο γης και ποιων τον ηττω λογον κρειττω .
18C These very same people , O gentlemen of Athens , who have broadcast this report , are my
ουτοι ταυτην οι , ω ανδρες Αθηναιοι , οι κατασκεδασαντες την φημην , εισιν μου
terribly-dangerous accusers . For those who hear them , are lead to believe that those who
δεινοι κατηγοροι : γαρ οι ακουοντες ηγουνται τους
investigate these matters do not believe in **The Gods** . Then since , these very accusers are many ,
ζητουντες ταυτα ουδε νομιζειν θεους . επειτα ουτοι οι κατηγοροι εισιν πολλοι

and have already been making their accusations for a long time , and since they spoke to Thee
και ηδη κατηγορηκοτες πολυν χρονον και δε λεγοντες προς υμας
while still in that age , in which Thou would **Trust** them most ; when Thou were children ,
ετι ταυτη τη ηλικια , εν η αν επιστευσατε μαλιστα , οντες παιδες ,
while most of Thee were mere babes , while accusing me in a way devoid of any rules , since
δ' ενιοι υμων και μειρακια , κατηγορουντες ερημην ατεχνως
there was nobody to give a defense . But that which is most unreasonable of all , is that it is not
ουδενος απολογουμενου . δε ο αλογωτατον παντων , οτι ουδε
18D even possible to know and speak the names of selves , except if one of them happens to be
οιον ειδεναι τε και ειπειν τα ονοματα αυτων , πλην ει τις τυγχανει ων
a writer of comedies . Thus all those who persuaded Thee did so by means of **ill-will** and **slander** ,
κωμωδιοποιος : δε οσοι ανεπειθον υμας χρωμενοι **φθονω** και **διαβολη**
but some also persuaded others , since selves had been persuaded ; all these , are most difficult
δε οι και πειθοντες αλλους αυτοι πεπεισμενοι , παντων ουτοι εισιν απο-
to deal with ; for it is not even possible to call selves up here nor question them any of them .
ρωτατοι : γαρ εστιν ουδε οιον τ' αυτων αναβιβασασθαι ενταυθοι ουδ' ελεξαι ουδενα ,
Thus I must necessarily , make my defense **against** , as it were , unreasonably , with shadows
αλλ' αναγκη απολογουμενον ωσπερ ατεχνως σκια**μαχειν**
and furthermore to question when no one will answer . Therefore also bear this in Thine mind ,
τε και ελεγχειν μηδενος αποκρινόμενου . ουν και αξιωσατε υμεις
18E just as I say , that there are two classes of my accusers ; on the one hand , those whom I
ωσπερ εγω λεγω , γεγονεναι διττους μου τους κατηγορους , μεν τους ετερους ους εγω
say , are accusing me just now , and on the other hand , those others who accused me long ago ,
λεγω , κατηγορησαντες αρτι , δε τους ετερους παλαι ,
and consider that I must defend myself first against the latter ; for Thou heard them making
και οιηθητε δειν απολογησασθαι με πρωτον προς εκεινους , γαρ υμεις ηκουσατε εκεινων
their charges first and with much greater force than these who made them later . Very well ;
κατηγορουντων προτερον και πολυ μαλλον η τωνδε των υστερον . ειεν :
19A I must make a defense , O gentlemen of Athens , and indeed , I must try , in so short a time ,
απολογητεον , ω ανδρες Αθηναιοι , και δη επιχειρητεον εν ουτως ολιγω χρονω
to remove from Thee , **this slander** , which Thou have been acquiring , for so long a time . Thus
εξελεσθαι υμεις , **ταυτην την διαβολην** , ην εσχετε εν πολλω χρονω . ουν
on the one hand , I wish that this might turn out in such a way , that is somehow **Better** for Thee
μεν βουλοιμην τουτο αν γενεσθαι ουτως , ει τι **αμεινον** και υμιν
and for me , and that I might have some success with **my defense** ; but I think **Self** is difficult ,
και εμοι , και ποιησαι τι πλεον με απολογουμενον : δε οιμαι αυτο ειναι χαλεπον ,
and it has not at all escaped my notice what a task **Self** is . Similarly on the one hand , let this
και ου πανυ λανθανει με οιον εστιν . ομως μεν ιτω τουτο
be as it is **Dear** to **The God** , for **The Law must** be obeyed and I **must** make my defense .
οπη **φιλον** τω θεω , δε τω νομω πειστων και απολογητεον .

3 Therefore let us take up from the beginning , what the accusation is , from which
ουν Αναλαβωμεν εξ αρχης , τις η κατηγορια εστιν , εξ ης
the slander against me has arisen , and in which Meletus certainly **Trusted** , when he brought this
η διαβολη εμη γεγονεν , και η Μελητος δη πιστευων εγραψατο ταυτην
19B suit against me . Very well . What did **those slanderers** indeed say who **slandered** me ?
την γραφην με . ειεν . τι **οι διαβαλλοντες** δη λεγοντες **διεβαλλον** ;
Therefore I must read the sworn accusation of selves , as if they were plaintiffs/accusers :
ουν δει αναγνωναι την αντωμοσιαν αυτων ωσπερ κατηγορων ,

“Socrates is unjust and a meddling-busybody , who searches out both things under the earth and Σωκρατης αδικει και περιεργαζεται , ζητων τε τα υπο γης και in heaven and makes the weaker **Logos** stronger and teaches others the very same things .” ουρανια και ποιων τον ηττω λογον κρειττω και διδασκων αλλους τα ταυτα αυτα.

19C It is something of that sort ; for this is also the very thing you saw in the comedy of εστιν τις τοιαυτη : γαρ ταυτα και αυτοι εωρατε εν τη κωμωδια Aristophanes ; a certain Socrates being carried about there , both proclaiming that he was “air-Aριστοφανους , τινα Σωκρατη περιφερομενον εκει , τε φασκοντα αερο–borne” and foolishly-uttering much other nonsense , about which I know nothing , neither much βατειν και φλυαρουντα πολλην αλλην φλυαριαν , περι ων εγω επαιω ουδεν ουτε μεγα nor little . And I say this , not to show-dishonor to knowledge of that kind , if anyone is wise ουτε μικρον . και λεγω ως ουχ ατιμαζων την επιστημην τοιαυτην , ει τις εστιν σοφος about such matters . May I never have to defend myself against Meletus on such a charge ! περι των τοιουτων . πως εγω μη φυγοιμι υπο Μελητου τοσαυτας δικας ! For I , O gentlemen of Athens , thus have nothing to do with these things . Thus I offer φαρ εμοι , ω ανδρες Αθηναιοι , αλλα ουδεν μετεστιν τουτων . δε παρεχομαι **19D** as witnesses , most of Thy Selves , and I ask Thee to instruct each other , and also μαρτυρας πολλους τους υμων αυτους , και αξιω ιμας διδασκειν αλληλους τε και to inform , as many of Thee who ever heard me conversing ; for there are many such persons φραζειν , οσοι ποποτε ακηκοατε εμου διαλεγομενου : δε εισιν πολλοι οι τοιουτοι among Thee ; please inform each other , if anyone of Thee ever heard me discussing either little υμων : ουν φραζετε αλληλοις , ει τις υμων ποποτε ηκουσε εμου διαλεγομενου η μικρον or much about such matters ; and from this , you will perceive , that such are also the other things η μεγα περι των τοιουτων : και εκ τουτων γνωσεσθε , οτι τοιαυτ’ και ταλλα which the multitude say , about me . α οι πολλοι λεγουσιν , περι εμου .

4 But since none of these things are true , neither indeed , if you have heard from anyone Αλλα γαρ ουτε τουτων εστιν ουδεν , ουδε γ’ ει ακηκοατε τις **19E** that I take in hand to teach people and that I **make** money by it ; this is neither true . ως εγω επιχειρω παιδευειν ανθρωπους και **πραττομαι** χρηματα , τουτο ουδε αληθες . Although this also seems to me to be **Beautiful** indeed , if anyone is able to teach people , επει τουτο και δοκει μοι ειναι καλον γε , ει τις ειη οιος τ’ παιδευειν ανθρωπους just as **Gorgias** of Leontini and **Prodicus** of Ceos and **Hippias** of Elis . For each of ωσπερ τε **Γοργιας** ο Λεοντινος και **Προδικος** ο Κειος και **Ιππιας** ο Ηλειος . γαρ εκαστος **these men** , O gentlemen , is able to go into any one of the cities and persuade those young **τουτων** , ω ανδρες , εστιν οιος τ’ ιων εις εκαστων των πολεων πειθουσιν τουτους νεους men , who can freely associate with whomsoever they wish among their own fellow citizens ; τους , οις προικα ξυνειναι ω αν βουλωνται εξεστι εαυτων των πολιτων **20A** to give up the association of their fellow citizens to associate with **them** , paying **them** money απολιποντας τας ξυνουσιας εκεινων ξυνειναι σφισιν διδοντας χρηματα and thank **them** for it besides . And since there is another **wise** man here , a Parian , και χαριν προσειδεναι . και επει εστι αλλος **σοφος** ανηρ ενθαδε Παριος who I **learned** was in town ; for I happened to meet a man who has spent much more money on ον εγω **ησθομην** επιδημουντα : γαρ ευτυχον προσελθων ανδρι ος τετελεκε πλειω χρηματα **sophists** than all the rest , Callias , the son of Hipponicus ; for he has two sons , **σοφισταις** η ξυμπαντες οι αλλοι , Καλλια τω Ιππονικου : γαρ αυτω εστον δυο υιεε , therefore this is what I asked this man ; I said , “O Callias , if on the one hand , both Thine sons ουν ην ανηρομην τουτον , δ’ εγω , Ω Καλλια , ει μεν σου υιεε

happened to be two colts or two calves , then we should be able to acquire and hire a manager
 εγενεσθην τω πωλῳ ἡ μὸσχῳ , εἰχομεν ἀν λαβεῖν καὶ μισθωσασθαι ἐπιστάτην
 for Selves ; a certain Self who could make Selves **Harmoniously Beautiful** and **Good**
 αὐτοῖν , αὐτῳ ὅς ἀν ποιήσῃν **εμελλεν καλῳ** τε καὶ ἀγαθῳ
20B in **The Virtue/Excellence Proper for Selves** . Thus he would be either a horse-trainer or a
 τὴν ἀρετὴν προσήκουσαν : δ’ οὗτος ἀν ἦν ἡ τις τῶν ἵππικῶν ἡ τῶν
 farmer . But now on the other hand , since they are two human beings , whom have Thou in mind
 γεωργικῶν . νῦν δ’ ἐπειδὴ ἐστὸν ἀνθρώπῳ , τίνα ἔχεις ἐν νῳ
 to acquire as their manager ? Who has knowledge of *that* kind of **Excellence** ; of the human-kind
 λαβεῖν ἐπιστάτην ; τίς ἐστὶν ἐπιστημῶν τῆς τοιαύτης ἀρετῆς , τῆς ἀνθρωπίνης
 and of the citizen ? For I think Thou has looked into the matter , because Thou has those sons .
 τε καὶ **πολιτικῆς** ; γὰρ οἶμαι σε ἐσκεφθαι διὰ τὴν κτήσιν τῶν υἱῶν .
 “Is there anyone , or not ?” said I , “Certainly .” said he . “Who , and where from , and what price
 ἐστὶν τις ἡ οὐ ; ἐφην ἐγὼ πανυ γέ , ἡ δ’ ὅς . Τίς καὶ ποδαπὸς , καὶ ποσού
 for his teaching ?” said I , “Evenus (**Phaedo 60D**) , O Socrates , from Paros , five minae .” said he .
 δίδασκει ; ἦν δ’ ἐγὼ , Εὐηνός , ὦ Σωκράτης , Πάριος , πεντε μῶν , ἐφῆ .
20C And I said that Evenus was Blessed , if he truly had this Art and was able to teach It
 καὶ ἐγὼ τὸν Εὐήνον ἐμακάρισα , εἰ ὡς ἀληθῶς ἔχει ταύτην τὴν τέχνην καὶ δίδασκει
 so very reasonably . I myself would indeed be proud and also affect grace , if
 οὕτως ἐμμελῶς . ἐγὼ αὐτὸς ἀν οὐν ἐκαλλυνομένην καὶ τε καὶ ἠβρυνομένην , εἰ
 I had knowledge of these matters . But I do not have that knowledge , O gentlemen of Athens .
 ἠπιστάμενην ταῦτα : ἀλλ’ γὰρ οὐ ἐπιστάμαι , ὦ ἄνδρες Ἀθηναῖοι .

5 Thus perhaps someone might rejoin : “What then , *is* **Thine Business** , O Socrates ?
 οὐν ἰσῶς τίς ἀν Ὑπολαβοί : τί Ἀλλ’ ἐστὶ σὸν τὸ πρᾶγμα , ὦ Σωκράτης ;
 From whence have these **slanders** themselves arisen against Thee ? For certainly , without a doubt
 ποθεν αἱ διαβολαὶ αὐταὶ γεγوناσιν σοὶ ; γὰρ γέ δηπου
 Thine **reputation** as such and **this logos** , has not arisen while Thou were doing nothing more out
 σου φήμη τοσαύτη τε καὶ λόγος , οὐ γέγονεν ἐπειτα πρᾶγματευομένου οὐδεν περὶ—
 of the way , than the other citizens , unless , Thou were **doing something other** than the many .
 τότερον τῶν ἄλλων , εἰ μὴ **ἐπράττες τι ἄλλοιον** ἢ οἱ πολλοὶ :
20D Therefore tell us , what **it is** , in order that we may not act thoughtlessly concerning Thee .”
 οὐν λέγε ἡμῖν , τί **ἐστὶν** , ἵνα ἡμεῖς μὴ αὐτοσχεδιᾶζωμεν περὶ σοῦ .
 The man who says this , seems to me to speak **Justly** , and I will try to show Thee ,
 ὁ λέγων ταῦτα , δοκεῖ μοι λέγειν **δικαία** , καὶ γὰρ πειρασομαι ἀποδείξαι ὑμῖν ,
 what **this** is , that has brought about my **reputation** and this **slander** . So listen .
 τί **τούτο** ἐστὶν , ποτ’ ὁ πεποιήκεν ἐμοὶ τὸ ὄνομα τε καὶ τὴν **διαβολήν** . δη ἀκούετε .
 And perhaps , on the one hand , I shall seem to some of Thee , to be joking ; however ,
 καὶ ἰσῶς μὲν δοξῶ τισὶν ὑμῶν παιζειν , μέντοι
 be well-assured , that I shall speak **All The Truth** , to Thee . The fact is , O gentlemen of Athens ,
 ἵστε εὐ , ἐρῶ **πᾶσαν τὴν ἀληθειαν** ὑμῖν . γὰρ , ὦ ἄνδρες Ἀθηναῖοι ,
 that I have acquired this reputation on account of nothing else than by a **certain wisdom** .
 ἐγὼ ἐσχῆκα τούτῳ τῷ ὀνόματι δι’ οὐδεν ἄλλ’ ἢ διὰ **τίνα σοφίαν** .
 What kind of **wisdom** is **this** then ? Only that , which is in like manner , **human wisdom** .
 ποῖαν **σοφίαν ταύτην** δη ; ἥπερ ἐστὶν ἰσῶς **ἀνθρωπινὴ σοφία** .
 For *I happen to be* really wise in **this wisdom** ; but these men perhaps , of whom I was just now
 γὰρ κινδυνεύω εἶναι ὄντι σοφὸς **ταύτην** τῷ : δε οὗτοι τάχ’ οὐς ἀρτί
20E speaking , might be **Wise in Something Greater** than **the human-kind** , or I do not know ,
 ἐλέγον , ἀν εἶεν **σοφοὶ** **τίνα** **μείζω** ἢ **κατ’ ἀνθρώπον** , ἢ οὐκ ἔχω ,

what I say . For I at least , certainly do not have **Knowledge of Self** , but whoever says I do ,
τι λεγω . γαρ εγωγε δη ου **επισταμαι αυτην** , αλλ’ οστις φησι
is **lying** and speaking to **slander** me . And , O men of Athens , do not interrupt me with noise ,
ψευδεται τε και λεγει επι τη **διαβολη** εμη . και , ω ανδρες Αθηναιοι , μη θορυβησητε μοι ,
even if I may seem to Thee , to be boasting ; for **The Logos** which I will give is not spoken by
μηδε αν δοξω υμιν λεγειν τι μεγα : γαρ **τον λογον** ον αν ερω ου λεγω
me , but by **The Speaker** to whom I shall refer is of **Sufficient Authority** . For of my wisdom , if
εμον , αλλ’ εις **τον λεγοντα** ανοισω **αξιοχρεων** . γαρ της εμης ει
indeed it is a kind of wisdom and of its nature , I will offer Thee **The God of Delphi** as **Witness** .
δη εστιν τις σοφια και οια , παρεξομαι υμιν **τον θεον εν Δελφοις τον μαρτυρα** .
21A For I suppose that Thou knows Chairephon . This man was my companion from youth
γαρ που ιστε Χαιρεφοντα . ουτος ην εμος εταιρος εκ νεου
and also a member of Thine political party , and shared in that recent exile and came back
και τω εταιρος υμων τω πληθει τε και ξυνεφυγε ταυτην την φυγην και κατηλθε
with Thee . And so Thou certainly knows the kind of man Chairephon was ; how single-minded
μεθ’ υμων . και δη ιστε , οιος Χαιρεφων ην , ως σφοδρος
he was , toward whatever he would set out to do .

εφ ο τι ορμησειεν .
Well , once he indeed also went to Delphi and was so bold as to enquire of The Oracle this :
και ποτε δη και ελθων εις Δελφους ετολμησε **μαντευσασθαι** τουτο :
And , O gentlemen , do not make a disturbance at what I say . For he indeed asked , if there were
και , ω ανδρες , μη θορυβειτε , οπερ λεγω : γαρ δη ηρετο , ει ειη
anyone wiser than I . Then , The Pythia replied that , “ **There was no one wiser** ” . And in regards
τις σοφωτερος εμου . ουν η Πυθια ανειλεν **ειναι μηδενα σοφωτερον** . και περι
to these matters , the brother of **Self** who is here , will bear witness to Thee , for that man is dead .
τουτων ο αδελφος αυτου ουτοσι μαρτυρησει υμιν , επειδη εκεινος τετελευτηκεν .

6 But consider **for the sake of what** , do I tell these stories . For I am going to **show** Thee , **from**
21B δε Σκεψασθε **ενεκα** ων λεγω ταυτα : γαρ μελλω **διδαξιν** υμας ,
whence the slander against me has arisen . For when I heard this , in my heart I thought to myself :
οθεν η διαβολη μοι γεγονεν . γαρ εγω ακουσας ταυτα ενεθυμουμην ουτωσι :
“ What in the world does **The God** mean , and what kind of riddle/puzzle is this ? For I am **Aware**
τι ποτε ο θεος λεγει , και τι ποτε **αينيττεται** ; γαρ εγω ξυνοιδα
of **Myself** that I am indeed neither much wise nor little . What in the world then , does **He** mean ,
εμαυτω ων δη ουτε μεγα σοφος ουτε σμικρον . τι ποτε ουν λεγει
by **Pronouncing** me to be the wisest ? For without a doubt , **He** certainly cannot be lying ;
φασκων εμε ειναι σοφωτατον ; γαρ δηπου γε ου **ψευδεται** :
for that is not **Lawful** for **Self** ! ” And for a long time , on the one hand , I was in dire straits
γαρ ου **θεμις** αυτω . και πολυν χρονον **μεν** **ηπορουν**
as to what in the world **He** meant . But thereafter on the other hand , with great reluctance ,
τι ποτε λεγει . **επειτα** **πανυ** **μογισ**

I turned to searching for meaning of **Self** , somewhat as follows .

ετραπομην επι ζητησιν αυτου **τινα** **τοιαυτην** .
I went to one of those who had a reputation of being wise , **Reasoning** that **there** ,
Ηλθον επι **τινα** των **δοκουντων** **ειναι** **σοφων** , **ελεγξων** ως **ενταυθα** ,
21C if anywhere , by bringing to **The Light** The Revelation of The Oracle ; and showing that
ει **περπου** , **αποφανων** **το** **μαντειον** **τω** **χρησμω** και **οτι**
“ Here is this man that is wiser than I , but **Thou** said I was . ” Then , upon examining this man -
ουτοσι **εστι** **σοφωτερος** **εμου** , δε **συ** **εφησθα** **εμε** . ουν **διασκοπων** **τουτον** -

Is Socrates applying **The Touchstone** , *here* , in his exposition of The Truth (Gold)

Just : : As

He did , *there* , in The Gorgias where he coined **this** word ?

For , *there* , he applied **Callicles** , as possessing all the qualities of **The Touchstone**
to the opinions of his own soul , so that if **Callicles** agreed with him , then they would be True (Golden) !

Here

There

Knowledge Human wisdom - “no one wiser”-as Apollo is his Witness \ “you have been sufficiently educated”487b
Good-will The opportunity to show-educate-διδασkein-teach-enlighten \ “beware of being overwise”487d
Candor “I shall speak The Perfect Truth” \ “Ability ... proven by your free speech”487d

for I need not call him by name , but it was one of the politicians , whom I was examining
γὰρ δεομαι ουδεν λεγειν ονοματι , δε ην τις των πολιτικων , ον εγω σκοπον
when I had an experience such as this , O men of Athens , - While conversing with him , this very
προς τι επαθον τοιουτον , ω ανδρες Αθηναιοι , - και διαλεγομενος αυτω , ουτος
man seemed to me to appear to be wise to many other people , but especially on the one hand ,
ο ανηρ εδοξε μοι δοκειν ειναι σοφος πολλοις αλλοις ανθρωποις τε και μαλιστα μεν
to *himself* , while on the other hand , he was not ; and then I tried to give evidence to Self , that on
εαυτω , δ’ ειναι ου : καπειτα επειρωμην δεικνυναι αυτω , οτι

21D the one hand , he believed himself to be wise , but was not . So **because of this** , I became the
μεν οιοιτο ειναι σοφος , δ’ ειη ου . ουν εντευθεν απηχ-
object of hate to him and to many of those present ; and so , on the other hand , as I went away ,
θομην τουτω τε και πολλοις των παροντων , ουν δ’ απιων

I **Reasoned** to myself that , “On the one hand , I am wiser than this human-being ;

ελογιζομην προς εμαυτον οτι , μεν εγω ειμι σοφωτερος τουτου του ανθρωπου :
for neither of us knows anything **Beautiful** and **Good** , but this man thinks he knows something
γὰρ ουδετερος ημων ειδεναι ουδεν **καλον καγαθον** , αλλ’ μεν ουτος οιεται ειδεναι τι
when he knows nothing , whereas I at least then , do not know , and neither *do I think* I do .

ειδως ουκ , δε ωσπερ εγω ουν , ουκ οιδα , ουδε οιομαι :
At any rate , it is likely , that I am wiser than this man only by *this* small trifle :

γουν εοικα ειναι σοφωτερος τουτου αυτω γε τουτω σμικρω τινι :
that what I do not know , neither *do I think* I know .”

οτι α μη οιδα ουδε οιομαι ειδεναι .

21E Thereafter I went to another of those who had the reputation of being wiser than he , and
εντευθεν ηα επ’ αλλον των δοκουντων ειναι σοφωτερων εκεινου , και
these same things happened to me ; so there also I became the object of hate both to him and
ταυτα ταυτα εδοξε μοι : και ενταυθα απηχθομην κακεινω και
to many others .
πολλοις αλλοις .

7 Then after this then , I went forth from one to another in succession , while on the one hand ,
 ουν Μετα ταυτ' ηα ηδη εφεξης , και μεν
 distressed , alarmed and perceiving that I was hated , but nevertheless on the other hand ,
 λυπουμενος και δεδιως και αισθανομενος οτι απηχθανομην , ομως δε
 I thought that must make **The Business/Service** of **The God** to be of the highest importance ;
 εδοκει αναγκαιον ποιεισθαι το του θεου ειναι περι πλειστου
 Therefore I had to go **Investigate** what **The Oracle** meant , in relation to all those who were
 ουν ιτεον σκοπουντι τι τον χρησμον λεγει επι απαντας τους
 reputed to know anything . And by **The Dog (Theuth)** , O gentlemen of Athens ; for I must
 δοκουντας ειδεναι τι . και νη τον κυνα , ω ανδρες Αθηναιοι : γαρ δει
22A speak **The Truth** to Thee ; something such as this , in **Truth** , was my experience indeed !
 λεγειν ταληθη προς υμας : τι τοιουτον η εγω επαθον μην
 On the one hand , as I **Investigated** , according to **The God** , those who had the most reputation ,
 μεν ζητουντι κατα τον θεον , οι μαλιστα ευδοκιμουντες
 necessarily appeared to me , to be clearly in the most need , but on the other hand , others who
 δειν εδοξαν μοι ολιγου του πλειστου ενδεεις , δε αλλοι
 were of less repute , were superior men in regards to being **Mindful** . Surely then I must
 εχειν φαυλοτεροι δοκουντες ειναι επιεικεστεροι ανδρες προς το **φρονιμως** . δη δει
 display to Thee my **Wandering** , as that of one who performs labors (an ass) , in order that **The**
 επιδειξαι υμιν την εμην πλανην ωσπερ τινας πονουντος πονους , ινα η
Oracle might also be shown to be irrefutable by me . For after the politicians , I went to the poets ,
 μαντεια και γενοιτο ανελεγκτος μοι . γαρ μετα τους πολιτικους ηα επι τους ποιητας
22B those of tragedies , and those of dithyrambs , and the others , thinking that *there* , I would
 τους των τραγωδιων τε και τους των διθυραμβων και τους αλλους , οντα ως ενταυθα
 finally grasp upon **The Self-Evident Truth** that myself was *less enlightened* than they . Then
 καταληψομενος επ' αυτοφωρ εμαυτον αμαθεστερον εκεινων . ουν
 I took up the works of Selves that appeared to me to be most carefully elaborated by Selves ;
 αναλαμβανων τα ποιηματα αυτων , α εδοκει μοι μαλιστα πεπραγματευσθαι αυτοις
 I asked Selves what they meant , so that I might at once also learn something from Selves .
 διηρωτων αυτους , τι λεγοιεν , ιν' αν αμα και μανθανοιμι τι παρ' αυτων .
 Therefore I am ashamed to tell Thee **The Truth** , O gentlemen ; but yet it must be told . For
 ουν αισχυνομαι ειπειν υμιν ταληθη , ω ανδρες , δε ομως ρητεον . γαρ
 there was hardly a word spoken by Selves that could be spoken better by all those present
 ως ολιγου επος ελεγον αυτων αν ειπειν βελτιον απαντες οι παροντες
 about the poems which Selves had composed . Therefore , again in the case of the poets
 περι ων αυτοι επεποιηκεσαν . ουν και εν περι των ποιητων
22C I Suddenly Recognized This , that what they composed , they composed not , by **Wisdom** ,
 ολιγω εγνων τουτο , οτι α ποιοιεν ποιοιεν ου σοφια
 but by some **natural ability** , and by being **Divinely-Inspired** , just as the prophets and the givers
 αλλα τινι φυσει και ενθουσιαζοντες , ωσπερ οι θεομαντεις και οι
 of Oracles ; for these on the one hand , also express many beautiful thoughts , but on the other
 χρησμωνδοι : γαρ ουτοι μεν και λεγουσι πολλα και καλα , δε
 hand , know nothing of which they speak . Thus it was **Evident** to me that the poets had also
 ισασιν ουδει ων λεγουσι . εφανησαν μοι οι ποιηται και
 experienced some experience such as this . And at the same time , I perceived that on account of
 πεπονθοτες τι παθος τοιουτον : και αμα ησθομην δια
 the poetry of selves , they thought they were wisest of humans in other things as well , in which
 την ποιησιν αυτων οιομενων ειναι σοφωτατων ανθρωπων ταλλα και , α

they were not . So I went away from them also , thinking that I excelled them in that same respect
ησαν ουκ . ουν απη και οιομενος περιγεγονεναι τω αυτω εντευθεν
in which I also excelled the politicians .
ωπερ και των πολιτικων .

8 Finally then , I went to the handicraftsmen . For I was aware that I knew nothing ,
Τελευτων ουν ηα επι τους χειροτεχνας : γαρ εμαυτω ξυνηδη επισταμενω ουδεν ,
22D as one might say , but I knew I would indeed find that they knew many and beautiful crafts .
ως επος ειπειν , δε ηδη γ' ευρησοιμι οτι τουτους επισταμενους πολλα και καλα .
And on the one hand , in this , I was not deceived ; for they did know , that which I knew not ,
και μεν τουτου ουκ εψευσθην , αλλ' ηπισταντο α εγω ηπισταμην ουκ
and in this way they were wiser than I . But on the other hand , O gentlemen of Athens , the good
και ταυτη ησαν σοφωτεροι μου . αλλ , ω ανδρες Αθηναιοι , οι αγαθοι
fabricators also , appeared to me to have the same failing , just as the poets ; by reason of being
δημιουργοι και , εδοξαν μοι εχειν ταυτον αμαρτημα , και οπερ οι ποιηται : δια
good practitioners of their craft , each one thought himself to be the wisest in other matters of the
το καλως εξεργαζεσθαι την τεχνην εκαστος ηξιου ειναι σοφωτατος ταλλα τα
22E highest importance , so that the self folly of selves obscured that wisdom ; so that I asked
μεγιστα , και η αυτη πλημμελεια αυτων απεκρυπτεν εκεινην την σοφιαν : οστ' ανερωταν
myself in behalf of The Oracle , if myself would prefer to be as I am in this way , by being neither
εμε υπερ του χρησμου , ποτερα εμαυτον αν δεξαιμην εχειν ωσπερ εχω ουτω , ων μητε
wise at all , in their kind of wisdom nor unenlightened in their ignorance , or to be in both ways as
σοφος τι την εκεινων σοφιαν μητε αμαθης την αμαθιαν , η εχειν αμφοτερα α
they are . Thus I replied to myself and to The Oracle , that **it was Better** for me to be
εκεινοι εχουσιν . ουν απεκριναμην εμαυτω και τω χρησμω , οτι **λυσιτελοι** μοι εχειν
just as I am . (ωσπερ εχω .)

9 Surely then on the one hand , much **ill-will** has arisen against me from this **Investigation** ,
δη μεν πολλαι **απεχθειαι** γεγονασι μοι Εκ ταυτησι της εξετασεως ,
23A O gentlemen of Athens , and such as is **most harsh** and **oppressive** , so that many **slanders**
ω ανδρες Αθηναιοι , και οiai χαλεπωταται και βαρυταται , ωστε πολλας **διαβολας**
have resulted from **selves** , thus on the other hand , I have been given the name of “wise” for **this** .
γεγονεναι απ' αυτων , δε ειναι λεγεσθαι ονομα σοφος τουτο
For on each occasion , those who are present , think I am wise in the same matters in which
γαρ εκαστοτε οι παροντες οιονται με ειναι σοφον αυτον ταυτα α
I would confute someone else ; but **The Bold Truth** is , O gentlemen , that in fact , **The God** is
αν εξελεγξω αλλον : δε το κινδυνευει , ω ανδρες , τω οντι **ο θεος** ειναι
Wise and in that Oracular Verse **He** means this , that “Human wisdom is hardly of some value
σοφος , και εν τουτω τω χρησμω λεγειν τουτο , οτι η ανθρωπινη σοφια ολιγου τινος αξια
and of no worth at all .” And it is **Manifest** that **He** does not say this of Socrates , but by applying
και ουδενος : και φαινεται ου λεγειν τουτ' τον Σωκρατη , δε προσκεχρησθαι
23B my name , has made me a **Paradigm** (**Golden**) , as if He had said that : “This one of Thee ,
εμε τω ονοματι , ποιουμενος εμε **παραδειγμα** , ωσπερ ει αν ειποι οτι , ουτος υμων ,
O human-beings , is wisest ; and whosoever , just as Socrates , **Recognizes** that they are
ω ανθρωποι , εστιν σοφωτατος , οστις ωσπερ Σωκρατης **εγνωκεν** οτι εστι
in **Reality** , in **no way worthy** , in respect to **Wisdom** .”
τη αληθεια ουδενος αξιος προς σοφιαν .

Therefore on the one hand , I am still even now going about this **Quest** , **Searching** and
ουν μεν εγω ετι και νυν περιων Ταυτ' ζητω και

Investigating according to **The God** ; anyone , whether citizen or foreigner , who I think is wise ;
 ερευνην κατα τον θεον ,τινα και των αστων και ξενων αν οιωμαι ειναι σοφον:
 and when he does not appear to be wise to me , **giving aid to The God** , I **bring to light** that
 και επειδαν μη δοκη μοι βοηθων τω θεω **ενδεικνυμαι** οτι
 this person is not **Wise** . And by reason of **This Business** , neither do I have leisure to attend to
 εστι ουκ σοφος . και υπο ταυτης της ασχολιας ουτε σχολη πραξαι
23C any “affairs of state” worth mentioning , nor any of “my own” , but on the other hand ,
 τι των της πολεως αξιον λογου ουτε των οικειων , αλλ’
 I am in extreme poverty on account of my **Service** of **The God** .
 ειμι εν μυρια πενια δια μοι την λατρειαν του θεου .

10 And in addition to these affairs , the young men who have the most leisure ;
 δε Προς τουτοις , οι νεοι οις εστιν μαλιστα σχολη ,
 the sons of the richest men , accompany me of their Self accord , finding pleasure in hearing
 οι των πλουσιωτατων , επακολουθουντες μοι αυτοματοι χαιρουσιν ακουοντες
 people being examined , and often , Selves imitate me , since they take in hand
 των ανθρωπων εξεταζομενων , και πολλακις αυτοι μιμουνται εμε , ειτα επιχειρουσιν
 to examine others ; and then , I suspect , they find a great abundance of people who , on the one
 εξεταζειν αλλους : καπειτα , οιμαι , ευρισκουσι πολληναφθονιαν ανθρωπων μεν
 hand , think they know something , but on the other hand , know little or nothing . Therefore ,
 οιομενων ειδεναι τι , δε ειδοτων ολιγα η ουδεν . ουν ,
 as a result , those who are examined by Selves , become angry with me , but not with Selves ,
 εντευθεν οι εξεταζομενοι υπ’ αυτων οργιζονται εμοι , αλλ’ ουχ αυτοις ,
 and say that “Socrates is a most polluted person who is utterly-corrupting the youth .”
 και λεγουσιν ως Σωκρατης εστι τις μιαρωτατος διαφθειρει τους νεους :
23D But when anyone asks selves , “By doing what and by teaching what ?” , they have nothing
 και επειδαν τις ερωτα αυτους , ο ποιων τι και ο διδασκων τι , εχουσι ουδεν
 to say , since they are mistaken , but in order that they may not appear to be at a loss , they repeat
 ειπειν , αλλ’ αγνοουσιν , δε ινα μη δοκωσιν απορειν , λεγουσιν
 these stock charges against **all the philosophers** , about “the things in the air and the things
 τα ταυτα προχειρα κατα παντων των φιλοσοφουντων , οτι τα μετεωρα και τα
 beneath the earth ,” and “do not believe in The Gods ,” and “make the inferior argument
 υπο γης , και μη νομιζειν θεους , και ποιειν τον ηττω λογον
 the superior.” For they would not, I suspect , care to say the **Truth** , that it is becoming very clear
 πρειττω . γαρ αν ουκ , οιομαι , εθελοιεν λεγειν τα αληθη , οτι γιγνονται καταδηλοι
 that on the one hand , they pretend to know , but that on the other hand , they know nothing .
 οτι μεν προσποιουμενοι ειδεναι , δε ειδοτες ουδεν .
23E Since then , I believe , they are lovers of honor and ambitious and numerous , and speak
 ατε ουν , οιμαι , οντες φιλοτιμοι και σφοδροι και πολλοι , και λεγοντες
 about me , in a concerted and persuasive way , they have filled your ears , both long ago , and
 περι εμου ξυντεταγμενως και πιθανως , εμπειληκασιν υμων τα ωτα και παλαι και
 recently , with **slanders** . From among them , Meletos has attacked me , and Anytos and Lycon ;
 σφοδρως **διαβαλλοντες** . εκ τουτων και Μελητος επεθετο μοι , και Ανυτος και Λυκων ,
 Meletos on the one hand , angered **on account of** the poets , but on the other hand , Anytus **for**
 Μελητος μεν αχθομενος **υπερ** των ποιητων , δε Ανυτος **υπερ**
24A the fabricators and the politicians , and furthermore , Lycon **for** the orators ; so that
 των δημιουργων και των πολιτικων , δε Λυκων **υπερ** των ρητωρων : ωστε ,

as I said in the beginning , I should be amazed , if I were able to remove this
 οπερ εγε ελεγον αρχομενος , αν θαυμαζοιμ , ει εγω ειην οιος τ' εξελεσθαι ταυτην
 slander of thine in so short a time when it has grown in this way so great . There Thou has
 την διαβολην υμων εν ουτω ολιγω χρονω γεγονυιαν ουτως πολλην . ταυτ' υμιν εστιν
The Truth , O gentlemen of Athens , and I speak without covering-up or dissembling anything
 ταληθη , ω ανδρες Αθηναιοι , και εγω λεγω ουδ' αποκρυψαμενος υποστειλαμενος
 from Thee , neither great nor small . And yet I know very well , that I have become hated
 υμας ουτε μεγα ουτε μικρον . καιτοι οίδα σχεδον , οτι απεχθανομαι
 for these ways ; which is also a sure-sign , that I am speaking **The Truth** , and that this
 τοις αυτοις : ο και τεκμηριον , οτι λεγω αληθη και οτι αυτη
 is the slander against me and these are **The Causes** . (The Reasonings of Cause and effect MENO 98)
 εστι η διαβολη η εμε και ταυτα εστιν τα αιτια .

24B And whether thou investigates these matters now or hereafter , you will find that it is so .
 και εαν ζητησητε ταυτα τε νυν εαν τε αυθις , ευρησετε ουτως .

11 Thus on the one hand , concerning the accusations which the first accusers made against
 ουν μεν Περι κατηγορουν ων οι πρωτοι κατηγοροι
 me , this is a sufficient defense before thee . On the other hand , in regards to Meletos , “the good
 μου αυτη εστιν ικανη απολογια προς υμας . δε προς Μελητον τον αγαθον
 and patriotic” as he says , and of these later ones , I will try to defend myself next .
 τε και φιλοπολιν , ως φησι , και ταυτα τους υστερους πειρασομαι απολογεισθαι μετα
 So once more , just as if these were another set of accusers , let us take up in turn their sworn
 γαρ αυθις δη , ωσπερ τουτων οντων ετερων κατηγορων , λαβωμεν αυ τουτων την αντω-
 statement . So it runs as follows : It states that Socrates is a criminal because he utterly-corrupts
 μοσιαν . δε εχει πως ωδε : φησιν Σωκρατη αδικειν διαφθειροντα
 the youth and does not believe in Those Gods which the state believes , but in other new Spirits .
 τους νεους τε και ου νομιζοντα θεους ους η πολις νομιζει , δε ετερα καινα δαιμονια .

24C Such then , on the one hand , is the accusation . But let us examine each point of this
 τοιουτου δη μεν εστιν το εγκλημα . δε εξετασωμεν εκαστον εν του τουτου
 accusation . He says I am unjust because I corrupt the youth . But I , O gentlemen of Athens ,
 εγκληματος . φησι με αδικειν γαρ διαφθειροντα τους νεους . δε εγω , ω ανδρες Αθηναιοι ,
 say that Meletos is indeed unjust , because he lightly takes in hand serious matters ,
 φημι Μελητον γε αδικειν , οτι ραδιως χαριεντιζεται σπουδη ,
 by involving people in a lawsuit , pretending , to be serious and concerned
 καθιστας ανθρωπους εις αγωνα , προσποιουμενος σπουδαζειν και κηδεσθαι
 about those matters , for which , he never cared at all . But that this has to be so ,
 περι τουτω πραγματων ων ποποτε εμελησεν ουδεν . δε ως τουτο εχει ουτως ,
 I will also attempt to bring forth to light for thee .
 και πειρασομαι επιδειξαι υμιν .

12 Come then , O Meletos , and tell me ; does Thou consider of great importance , or not ,
 δευρο , ω Μελητε , Και ειπε μοι : ποιει περι πολλου η αλλο τι ,

24D that the youth be as good as possible ?

ως οι νεωτεροι εσονται βελτιστοι οπως ;

Meletos : I do indeed ! (Εγωεγε .)

Soc : Come then , now tell them , who makes Selves better . For it is clear that Thou knows ;

Ιθι δη , νυν ειπε τουτοις , τις ποιει αυτους βελτιους . γαρ δηλον οτι οισθα ,
 being indeed the object of Thine care . For on the one hand , Thou has found the one person

γε σοι μελον . γαρ μεν εξευρων τον

who utterly-corrupts them , as you say , and you bring me before these gentlemen and accuse me .

διαφθειροντα , ως φης , εισαγεις εμε τουτοις και κατηγορεις :
Come then , and say indeed *who* makes Selves *better* and disclose , *who* he is .

ιθι δε ειπε δη ποιουντα αυτοις *βελτιους* και μηνυσον , τις τον εστιν .
... Do you see , O Meletos , that you are silent and have nothing to say ? ... And yet ,

ορας , ω Μελητε , οτι σιγας και εχεις ουκ ειπειν ; καιτοι
does it not appear to Thee to be disgraceful and sufficient proof indeed of what I say ; that it has

ουκ δοκει σοι ειναι αισχρον και ικανον τεκμηριον δη ου εγω λεγω , οτι
24E never been the object of Thine Care ? But do say , O good man , *who* makes Selves *better* ?

ουδεν σοι μεμεληκεν ; αλλ' ειπε , ω `γαθε , τις ποιει αυτους *αμεινους* ;
Meletos : The laws .

Οι νομοι .

Socrates : But that is not what I ask , O excellent one ,

Αλλ' τουτο ου ερωτω , ω βελτιστε ,
but what human-being , and whose Self in the first place *knows* this , **These Laws** .
αλλα τις ανθρωπος , και οστις αυτο πρωτον *οιδε* τουτο , *τους νομους* .

Mel : These very men , O Socrates ; the jury .

Ουτοι , ω Σωκρατες , οι δικασται .

Soc : What do you mean , O Meletos ?

Πως λεγεις , ω Μελητε ;
Do these gentlemen *know how* to educate the youth , and make them *better* ?

εισι οιοι *οιδε* παιδευειν τους νεους , τε και ποιουσιν *βελτιους* ;
Mel : Most certainly . (Μαλιστα .)

Soc : Which ones ? All , or only some of Selves but others not ?

Ποτερον απαντες , η μεν οι αυτων δ' οι ου ;
Mel : All . (Απαντες .)

Soc : Well said indeed , by **Hera** , and this is a great multitude of assistants .

ευ λεγεις γε νη την Ηραν , και πολλην αφθονιαν των ωφελουντων .
25A But how about this then ? Does the audience *know how* to make Selves *better* , or not ?
δε τι δη ; οι ακροαται *οιδε* ποιουσιν *βελτιους* η ου ;

Mel : These also . (ουτοι Και .)

Soc : And how about the councilors ? [50 *elected members by each of the 10 tribes* = 500]
δε Τι οι βουλευται ;

Mel : The councilors also . (οι βουλευται Και .)

Soc : But then , O Meletos , those in the assembly , the general assembly ,

Αλλ αρα , ω Μελητε , οι εν τη εκκλησια , οι εκκλησιασται ,
surely they do not corrupt the youth ? Or do they also , all make Selves *better* ?
μη διαφθειρουσι τους νεωτερους ; η κακεινοι απαντες ποιουσιν *βελτιους* ;

Mel : They also . (Κακεινοι .)

Soc : Accordingly , all the Athenians , as it appears , make Selves *beautiful* and *good* ,
αρα , Παντες Αθηναιοι , ως εοικεν , ποιουσι *καλους καγαθους*
except myself , for , I alone , corrupt them . It this what you mean ?

πλην εμου , δε εγω μονος διαφθειρω . ουτω λεγεις ;
Mel : Most emphatically and by all means , that is what I mean !

σφοδρα Πανυ ταυτα λεγω .

Soc : Thou has thoroughly-uncovered my *utter-wretchedness* indeed ! Now tell me ; does it appear
κατεγνωκας εμου *Πολλην δυστυχιαν* γ' . και αποκριναι μοι : δοκει

25B to thee to have to be in this way also in the case of horses ? That on the one hand , those who
σοι εχειν ουτω και η περι ιππους ; μεν οι

make selves **better** are all human-beings , but on the other hand , he who injures , is one person ?
 ποιουντες αυτους **βελτιους** ειναι παντες ανθρωποι , δε ο διαφθειρων εις τις ;
 Or is quite the opposite of this the case : that he who is **able** to make them **better** is one person ,
 η παν τουναντιον τουτου μεν ο ων **οιος** τ' ποιειν **βελτιους** εις τις
 or very few individuals ; the horse-trainers . Whereas the many , if by chance they deal with
 η πανυ ολιγοι , οι ιππικοι : δε οι πολλοι εανπερ ξυνωσι
 and use horses , injure them ? Is it not so , O Meletos , both in the case of horses and in that
 χρωνται ιπποις , διαφθειρουσιν ; εχει ουχ ουτως , ω Μελητε , και περι ιππων και
 of all other animals ? . . . Wholly without a doubt it is , whether Thou or Anytos deny or agree ;
 απαντων αλλων ζωνων ; παντως δηπου , εαν συ τε Ανυτος ου φητε εαν τε φητε :
 for it would be a **Great State of Blessedness** in the case of the youth , if on the one hand , one
 γαρ αν ειη τις **πολλη ευδαιμονια** περι τους νεους , ει μεν εις
25C alone , corrupts Selves , but on the other hand , the many **Benefit** Selves . But since ,
 μονος διαφθειρει αυτους , δ' οι πολλοι **ωφελουσιν** . αλλα γαρ ,
 O Meletos , you “display” sufficiently enough , that Thou never seriously thought about the youth ,
 ω Μελητε , επιδεικνυσαι ικανως , οτι ουδεν εφροντισας των νεων ,
 and by clearly bringing forth into the light Thine own carelessness , that Thou has never at all
 και σαφως αποφαινεις σαυτου την αμελειαν , οτι ουδεποτε
 made the object of Thine care , the very things about which , Thou brings me into court .
 σοι μεμεληκεν περι ων εισαγεις εμε .

13 But still , tell us , for the sake of **God** , O Meletos , whether it is **better** to live among
 δε ετι ειπε ημιν , προς θεος , ω Μελητε , ποτερον εστιν **αμεινον** οικειν εν
useful citizens , or **worthless** ones ? . . . O friend , do answer ; for I am not asking anything hard .
χρηστος πολιταις η **πονηροις** ; ω ταν , αποκριναι : γαρ ουδεν ερωτω τοι χαλεπον .
 Do not the worthless ones , on the one hand , always do some evil to those who associate
 οντας ουχ οι πονηροι μεν αει εργαζονται τι κακον τους εγγυτατω
 with themselves , while on the other hand , the good ones always do some good ?
 εαυτων , δ' οι αγαθον τι αγαθον ;

Mel: By all means indeed ! (Πανυ γε .)

Soc: Is there then , anyone who wishes to be harmed **by** his associates rather than benefited ?

25D Εστιν ουν οστις βουλεται βλαπτεσθαι **υπο** των ξυνοντων μαλλον η ωφελεισθαι ;

Soc: . . . Answer , O good man ; for **The Law** , also orders Thee to answer .

αποκριναι , ω αγαθε : γαρ **ο νομος** και κελευει αποκρινεσθαι .

Is there anyone who wishes to be harmed ?

εσθ' οστις βουλεται βλαπτεσθαι ;

Mel: Of course not .(δητα ου .)

Soc: Come then ; on what grounds do you bring me in here ; that I am **corrupting** the youth

φερε δη , ποτερον εισαγεις εμε δευρο ως **διαφθειροντα** τους νεωτερους
 and making them **worthless** either voluntarily or involuntarily ?

και ποιουντα **πονηροτερους** εκοντα η ακοντα ;

Mel: Voluntarily I say indeed .

Εκοντα εγωγε .

Soc: What then , O Meletos ? Are Thou , at your age , so much wiser than I , at my age ,

Τι δητα , ω Μελητε ; ει συ οντος ων τηλικοσδε τοσουτον σοφωτερος εμου τηλικουτου ,

25E so that Thou , on the one hand , have **Recognized** , that the bad ones , always do some harm

ωστε συ μεν **εγνωκας** οτι οι κακοι αει εργαζονται τι κακον
 to those most near themselves , while the good always do some good ; but I , on the other hand ,

τους μαλιστα πλησιον εαυτων , δε οι αγαθοι αγαθον : δη εγω δε

have reached such a depth of **ignorance** , so that I am even **ignorant** of this , that if I make anyone
 ηκω εις τοσουτον **αμαθιας** , ωστε και **αγνοω** τουτ' , οτι , εαν ποιησω τινα
 of my associates suffer , I am in danger of receiving some harm from self , so that consequently ,
 των ξυνοντων μοχθηρον , κινδυνεωσω λαβειν τι κακον απ' αυτου , ωστε
 I do such harm as this , *voluntarily* , as Thou say ? (How does ignorance , a passive condition ,
 ποιω το τοσουτον κακον εκων , ως συ φης ; *act voluntarily , an active condition ? JFB*)
 I am not persuaded by Thee of this , O Meletus , nor do I think , is any other human-being !
 εγω ου πειθομαι σοι ταυτα , ω Μελητε , δε ουδε οιμαι ουδενα αλλον ανθρωπων :
26A Therefore either I do not corrupt them , or if I corrupt them , I do so involuntarily , so that
 αλλ' η ου διαφθειρω , η ει διαφθειρω , ακων , ωστε
 Thou are indeed lying in both events . But if I corrupt them involuntarily ; for such involuntary
 συ γε ψευδει κατ' αμφοτερα . δε ει διαφθειρω ακων , των τοιουτων ακουσιων
 errors of judgment , **The Law** is not to bring them here , but to take them and to instruct and to
 αμαρτηματων , **νομος** εστιν ου εισαγειν δευρο , αλλα λαβοντα διδασκειν και
 advise them in private . For it is clear that , if I understood , I would indeed stop that which
 νουθετειν ιδια : γαρ δηλον οτι , εαν μαθω , γε παυσομαι ο
 I do involuntarily . But Thou , on the one hand , avoided associating with me and instructing me ,
 ποιω ακων . δε συ μεν εφυγες ξυγγενεσθαι μοι και διδασξαι
 and were not willing to do so , but you bring me in here , where it is **The Law** to bring in those
 και ουκ ηθελησας , δε εισαγεις δευρο , οι εστιν **νομος** εισαγειν τους
 who are in need of correction , but not in need of education .
 δεομενους κολασεως , αλλ' ου μαθησεως .

14 But certainly , O gentlemen of Athens , on the one hand , this is already clear , as I said
 Αλλα γαρ , ω ανδρες Αθηναιοι , μεν τουτο εστιν ηδη δηλον , ο εγω ελεγον ,
26B that Meletos never paid attention , neither much or little for them . But , nevertheless ,
 οτι Μελητω πωποτε εμελησεν ουτε μεγα ουτε μικρον τουτων . δε ομως
 do tell us , O Meletos , in what way Thou says that I corrupt the youth ? Or is it indeed evident ,
 δη λεγε ημιν , ω Μελητε , πως φης με διαφθειρειν τους νεωτερους ; η δη δηλον
 according to the indictment , which Thou wrote , that it is by teaching them not to believe in
 κατα την γραφην , ην εγραψω , οτι διδασκοντα μη νομιζειν
The Gods that the state believes in , but in other new **Spirits** ? Does Thou not say , that
 θεους ους η πολις νομιζει , δε ετερα καινα δαιμονια ; ου λεγεις ταυτα , οτι
 it is by teaching , that I corrupt ?
 διδασκων διαφθειρω ;

Mel: Very much so indeed , that is what I say .

Πανυ σφοδρα ουν μεν , ταυτα λεγω .
Soc: Now then , O Meletos , for the sake of **These Divine Selves** , of which **The Logos**
26C τοιουν , ω Μελητε , Προς τουτων των θεων αυτων , ων ο λογος
 now is , explain even more clearly , both to me and to these gentlemen . For I am unable
 νυν εστιν , ειπε επι σαφεστερον και εμοι και τοις τουτοις ανδρασιν . γαρ εγω ου δυναμαι
 to understand , whether Thou says that I teach them to believe that there are **some Gods** , and thus
 μαθειν , ποτερον λεγεις με διδασκειν νομιζειν ειναι τινας θεους , και αρα
Self believes that there are **Gods** , and I am not altogether godless , nor am I unjust ,
 αυτος νομιζω ειναι θεους , και ειμι ουκ το παραπαν αθεος ουδε αδικω
 in that way . However , these are not **The Very Gods** in whom the state indeed believes in , but
 ταυτη , μεντοι , ου ουσπερ η πολις γε , αλλα
Others , and this is what you accuse me for ; that I believe in **Others** ; or does Thou say that my
 ετερους , και τουτ' εστιν ο εγκαλεις μοι , οτι ετερους : η φης με

Self does not believe in **The Gods** at all , and that I teach this atheism to others .

αυτον ουτε νομιζειν τους θεους πανταπασι τε διδασκειν ταυτα αλλους .

Mel: That is what I say , that thou , absolutely , does not believe in **The Gods** .

Ταυτα λεγω , ως το παραπαν ου νομιζεις θεους .

Soc: O amazing Meletos , why do you say this ? Accordingly then , do I neither believe ,

26D Ω θαυμαζειε Μελητε , τι ινα λεγεις ταυτα ; αρα ουδε νομιζω
that **The Sun** nor even **The Moon** , are **Gods** , just as the other human-beings ?

ηλιον ουδε σεληνην ειναι θεους , ωσπερ οι αλλοι ανθρωποι ;

Mel: No by Zeus , O gentlemen of the jury , for he says on the one hand , that The Sun is stone ,

Μα Δι , ω ανδρες δικασται , επει φησιν μεν ηλιον ειναι λιθον
and on the other hand , The Moon earth .

δε την σεληνην γην .

Soc: Does Thou think Thou are accusing Anaxagoras , O dear Meletos , and does Thou so despise

οιει κατηγορειν Αναξαγορου , ω φιλε Μελητε , και ουτω καταφρονεις
these gentlemen and think they are so impoverished in letters , so as not to know , that the

τωνδε και οιει αυτους ειναι απειρους γραμματων , ωστε ουκ ειδεναι , οτι τα
books of Anaxagoras of Clazomenaea are full of such doctrines ? And of course , the youth also
βιβλια Αναξαγορου του Κλαζομενιου γεμει τουτων των λεγων ; και δη οι νεοι και
learn these doctrines from me , which they can buy sometimes , if the price happens to be high ,

26E μανθανουσιν ταυτα παρ' εμου , α εξεστιν πριαμενοις ενιοτε , ει πανυ πολλου ,
for a drachma (I silver coin = 6 obols) in the theatre while laughing at Socrates , for having

δραχμης εκ της ορχηστρας και καταγελαν Σωκρατους , εαν
pretended they are of **Self** , especially when they are also so absurd ! But for the sake of **God** ,
προσποιηται ειναι εαυτου , αλλως οντα τε και ουτως ατοπα . αλλ' ω προς Διος ,
does Thou think in this way , that I believe there is **not even one God** ?

σοι νομιζειν ουτωσι δοκω ειναι ουδενα θεον ;

Mel: No , by Zeus , thou certainly does not , not in the very least .

μα Δια μεντοι Ου ουδ οπωστιουν .

Soc: This is certainly unbelievable , O Meletos , not even as Thou appears to me , to Thyself !

ταυτα μεντοι Απιστος , ω Μελητε , ει γ' και ως δοκεις εμοι , σαυτω .
For this man appears to me , O gentlemen of Athens , to be quite arrogant and uncorrected ,
γαρ ουτοσι δοκει εμοι , ω ανδρες Αθημαιοι , ειναι πανυ υβριστης και ακολαστος ,
and actually , to have written this indictment in a hubristic spirit of unrestrained impulsiveness .
και ατεχνως γραφασθαι ταυτην την γραφην τινη υβρει και ακολασια και νεοτητι .

27A For he is just like one who sets-up a riddle in order to test us : “Will Socrates the wise man ,

γαρ ωσπερ εοικεν ξυντιθεντι αινιγμα διαπειρωμενω , Σωκρατης ο σοφος
thus recognize , that I am indeed jesting and contradicting myself , or will I thoroughly deceive
αρα γνωσεται εμου δη χαριεντιζομενου και λεγοντος εναντι εμαυτω , η εξαπατησω
self and the others who are listening ? ” For this self has come to light to myself

αυτον και τους αλλους τους ακουοντας ; γαρ ουτος αυτον φαινεται εμοι
to contradict himself in the indictment , as if he were to say , “Socrates is unjust because he

τα εναντια λεγειν εαυτω εν τη γραφη , ωσπερ αν ει ειποι : Σωκρατης αδικει
does not believe in Gods , but does believe in Gods .” And thus , this is game he is playing .

ου νομιζων θεους , αλλα νομιζων θεους . καιτοι τουτο εστι παιζοντος .

15 Please Join me in examining , O gentlemen , how he appears to me to say this ;

δη Ξυνεπισκεψασθε , ω ανδρες , η φαινεται μοι λεγειν ταυτα :

27B but thou , O Meletus , answer us ; and thyself , do just as I asked thee in the beginning ;

δε συ , ω Μελητε , αποκριναι ημιν , δε υμεις , παρητησαμην οπερ υμας κατ' αρχας

bear in mind not to make a disturbance if I conduct my **Logos** in my accustomed way .

μεμνησθε μη θορβειν εαν μοι ποιωμαι τους λογους εν τω ειωθοτι τροπω .

Soc: Is there any human being , O Meletus , who believes , on the one hand , that there are

Εστιν οστις ανθρωπων , ω Μελητε , νομιζει μεν ειναι
human affairs , but on the other hand , does not believe in human beings ?

ανθρωπεια , δε ου νομιζει ανθρωπους ;

... Let him answer , O gentlemen , and please do not make a disturbance in one way or another .

αποκρινεσθω , ω ανδρες , και μη θορυβειτω αλλα και αλλα .

... Is there anyone , on the one hand , who does not believe in horses ,

εσθ' οστις μεν ου νομιζει ιππους ,
but on the other hand , does believe in the business of horsemanship ?

δε πραγματα ιππικα ;

... Or on the one hand , who does not believe that flutists exist ,

η μεν ου νομιζει αυλητας ειναι ,
but on the other hand , that the business of flutists (music) does exist ?

δε πραγματα αυλητικα ;

... O best of humans , if thou does not wish to answer ;

ω αριστε ανδρων , ει συ μη βουλει αποκρινασθαι ,

then I say to thee and to these others present , that there is not .

εγω λεγω σοι και τοις αλλοις τουτοις , εστιν ουκ .

27C But at least please answer this next question .

αλλα το ετι γε αποκριναι τουτω :

Is there anyone on the one hand , who believes that the business of spirituality exists ,

εσθ' οστις μεν νομιζει πραγματ' δαιμονια ειναι ,
but on the other hand , does not believe in spirits ?

δε ου νομιζει δαιμονας ;

Mel: There is not .

εστιν Ουκ .

Soc: How you please me , by answering reluctantly under compulsion by these gentlemen .

Ως ωνησας , οτι απεκρινω μογισ υπο αναγκαζομενος τουτωνι .

On the one hand , is it not the case then , that thou says I do believe in spirits , whether new

μεν ουκουν φης με νομιζειν δαιμονια , ειτ' ουν καινα
or old , and that I teach that belief ; but then I do indeed believe in spirits , according to thine

ειτε παλαιαν , και διδασκειν : αλλ' ουν γε νομιζω δαιμονια κατα σον

Logos , and thou swore to that also in thine indictment . But on the other hand , if I believe

τον λογον , και διωμοσω ταυτα και εν τη αντιγραφη . δε ει νομιζω

in spirituality , it is without a doubt , quite inevitable that I also believe in spirits ; is it not so ?

δαιμονια , εστιν δηπου πολλη αναγκη με και νομιζειν δαιμονας : εχει ουχ ουτως ;

... It has to be so ; for I assume that thou agrees, since thou does not reply . But surely are we not

εχει δη : γαρ τιθημι σε ομολογουντα , επειδη ουκ αποκρινει . δε ητοι ουχι

27D led to think that Spirits are indeed Gods or The Offspring of The Gods ? Yes or no ?

ηγουμεθα τους δαιμονας γε θεους η παιδας θεων ; φης η ου ;

Mel : Very much so . (Πανυ γε .)

Soc: Is it not the case then , that if I am led to believe in Spirits , as thou says , if on the one hand ,

Ουκουν ειπερ ηγουμεναι δαιμονας , ως συ φης , ει μεν
Spirits are some kind of Gods , then that would be thine riddle and jest , which I mentioned ;

οι δαιμονες εισιν τινες θεοι , τουτ' αν ειη σε αινιττεσθαι και χαριεντιζεσθαι ο εγω φημι ,
thou affirms that while I do not believe in Gods , that I do in turn believe in Gods ,

φαναι εμε ουχ ηγουμενον θεους παλιν αυ ηγεισθαι θεους ,

since without a doubt , I do indeed believe in Spirits ; but if , on the other hand , Spirits , in turn
 επιδηπερ γε ηγουμαι δαιμονας : ει δ' οι δαιμονες αυ
 are certain illegitimate children of Gods , either by nymphs or by any others , which indeed
 εισιν τινες νοθοι παιδες θεων η εκ νυμφων η εκ τινων αλλων , ων δη
 are also said to be ; would any man believe , on the one hand , that there are children of Gods ,
 και λεγονται , αν τις ανθρωπων ηγοιτο μεν ειναι παιδας θεων ,
 but on the other hand , no Gods ? Thus , it would be similarly absurd , just as if one would be
 δε μη θεους ; γαρ αν ειη ομοιως ατοπον , ωσπερ ει τις αν
27E led to believe , on the one hand , that there are offspring of horses and donkeys , namely ,
 ηγοιτο μεν παιδας ιππων και ονων ,
 mules , but on the other hand , does not believe there are horses and donkeys .
 τους ημιονους , δε μη ηγοιτο ειναι ιππους και ονους .

Therefore , O Meletus , there is no question about it ; thou must have written this suit
 αλλ' , ω Μελητε , εστιν ουκ οπως συ εγραψω ταυτην την γραφην
 not to test ourselves , but rather because thou were at a loss as to what real/true/actual injustice
 ουχι αποπειρωμενος ημων , η οτι απορων αληθες αδικημα
 thou could accuse me . Thus , there is no way for thee to persuade any human , who possesses
 εγκαλοις εμοι : δε οπως συ πειθους τινα ανθρωπων αν εχοντα
 even a little mind , that it is possible for the same person to believe in spiritual and divine affairs ,
 και σμικρον νουν , ως εστιν του αυτου ηγεισθαι και δαιμονια και θεια ,
 and again for the very same person , not by any means whatsoever , believe that there exist
 και αυ του αυτου ουδεμια μηχανη εστιν
28A neither Gods nor Spirits nor Heroes .
 μητε θεους μητε δαιμονας μητε ηρωας .

16 Well then , O gentlemen of Athens , on the one hand , that I am not unjust , according to
 Αλλα γαρ , ω ανδρες Αθηναιοι , μεν ως εγω ουκ αδικω κατα
 the indictment of Meletus , seems to me , not to need much of a defense , but this is enough .
 την γραφην Μελητου , δοκει μοι ου ειναι πολλης απολογιας , αλλα ταυτα και ικανα :
 But thou may be assured , that what I said before , is also true , that great hatred has arisen
 δε ιστε ευ εν οτι ο τοις ελεγον εμπροσθεν εστιν και αληθες , οτι πολλη απεχθεια γεγονεν
 against me , and many others . And this it is , which will cause my condemnation , if anything
 προς μοι και πολλους . και τουτ' εστιν ο αιρησει , εανπερ
 is to cause it ; not Meletus nor Anytos , but the slander and ill-will of the many . This has also
 αιρη , ου Μελητος ουδε Ανυτος , αλλ' η διαβολη τε και φθονος των πολλων . α και
 certainly condemned many other good braves , and I think will continue to do so ; so there is
28B δη ηρηκεν πολλους αλλους και αγαθους ανδρας , δε οιμαι αιρησειν και : δε
 no danger , that it will stop with me .
 ουδεν δεινον , μη στη εν εμοι .

But perhaps someone might certainly say : “Are you not ashamed , O Socrates ,
 δ' ισως τις αν ουν ειποι ειτ' ουκ αισχυνει , ω Σωκρατης ,
 of having followed such a pursuit , from which thou are now in danger of being put to death ?”
 επιτηδευσας τοιουτον επιτηδευμα , εξ ου νυνι κινδυνευεις αποθανειν ;

But I should make to this person this **Just Logos** : “You do not speak well , O Sir ,
 δε εγω αν αντειποιμι τουτω **δικαιον λογον** οτι ου καλως λεγεις , ω ανθρωπε ,
 if thou thinks a man in whom there is even a little **Usefulness** , ought to take under consideration
 ει οiei ανδρα οτου εστιν και τι σμικρον οφελος , δειν υπολογιζεσθαι

danger in life or even death , and not rather , consider *this only* , when they act/take action , κινδυνον του ζην η τεθναναι , αλλ’ ουκ σκοπειν εκεινο μονον , οταν πραττη , whether that which they do , is **Just** or unjust , and *the works* of a good man or a bad one . ποτερα πραττει δικαια η αδικα , και εργα αγαθου ανδρος η κακου .

28C For according to Thine Logos , *the Half-Gods* would indeed be worthless ; such as died γαρ τω σω λογω των ημιθεων αν γε ειεν φαυλοι οσοι τετελευτηκασιν at Troy , and the others , including *the Son* of *Thetis* , who so despised danger , in comparison εν Τροια τε οι αλλοι και ο υιος της Θετιδος , ος τοσουτον κατεφρονησεν του κινδυνου with enduring any dishonor , that when the *Mother* of *Self* ; being a *Goddess* , said , παρα το υπομειναι τι αισχρον , ωστε επειδη η μητηρ αυτω , ουσα θεος , ειπεν , as he was eager to slay Hector , something like this , as I believe , ‘ *O Son , if Thou honorably-προθυμουμενω αποκτειναι Εκτορα , πως ουτωσι , ως εγω οιμαι , ω παι , ει τιμω-avenge the slaughter of Thine companion Patroclos and kill Hector , Self shall die ; for ρησεις τον φονον τωεταιρω Πατροκλω και αποκτεινεις Εκτορα , αυτος αποθανει : γαρ immediately*’ , she says , ‘ *after Hector ,Destiny is ready for thee*’ ; but he , on hearing this , on the αυτικα , φησι , μεθ’ Εκτορα ποτμος ετοιμος τοι : δε ο ακουσας ταυτα

28D one hand , esteemed death and danger lightly , but dreaded much more , to live ignobly and μεν του θανατου του κινδυνου ωλιγωρησε , δε δεισας πολυ μαλλον το ζην κακος και indeed not to avenge his friends , and straightway , he said , ‘ *may I die , after bringing Justice* ων μη τιμωρειν τοις φιλοις , αυτικα , φησι , τεθνηην επιθεις *δικην* to the wrongdoer , that I may not remain here , an object of ridicule besides the curved ships ; τω αδικουντι , ινα μη μενω ενθαδε καταγελαστος παρα κορωνισιν νηυσι a burden upon the land ’ . Does Self think he considered death and danger or not ?

αχθος αρουρης . οiei αυτον φροντισαι θανατου και κινδυνου μη ;

For , **The Truth** , has to be in this way , O gentlemen of Athens ; wherever someone may γαρ τη αληθεια εχει ουτω , ω ανδρες Αθηναιοι , ου τις αν **station** themselves , being led to believe it is **Best** to be *there* or placed *there under order of their* ταξη εαυτον ηγησαμενος **βελτιστον** ειναι η ταχθη ενταυθα **υπ’** Leader , they must , as it seems to me , remain and run their risks , in no way taking under-αρχοντος , δει , ως δοκει εμοι , μενοντα κινδυνευειν , μηδεν υπο-consideration , neither death nor any other thing , in any way , before dishonor . λογιζομενου μητε θανατον μητε αλλο μηδεν προ του αισχρου .

17 Therefore I would have done a dreadful thing , O Athenian gentlemen , if , on the one hand , ουν Εγω αν ειην ειργασμενος δεινα , ω Αθηναιοι ανδρες , ει , μεν

28E when the leaders whom you chose to command me , **stationed** me both at Potidaea οτε οι αρχοντες ους υμεις ειλεσθε αρχειν μου ετατον με και εν Ποτιδαια and at Amphipolis and also at Delium , and I remained **there** , where I was **appointed** at that time, και εν Αμφιπολει και επι Δηλιω , μεν εμενον εκεινοι ου εταττον τοτε just as everybody else and ran the risk of death ; but on the other hand , when **The God appointed** ωπερ και αλλος τις και εκινδυνευον αποθανειν , δε του θεου ταττονος me , as I believed and understood , **with orders that I must spend** my life , **Philosophically-** ως εγω ωθηην τε και υπελαβον , εξεταζοντα δειν με ζην φιλοσο-
29A Examining both **myself** and **others** , then , I were to desert my post **there** through fear or -φουντα και εμαυτον και τους αλλους , δε λιποιμι την ταξιν ενταυθα φοβηθεις η death or any trouble whatsoever . Then , it would be a dreadful affair , and truly , at that time θανατον η αλλο πραγμα οτιουν . ταν ειη δεινον , και ως αληθως τοτ’ one should **justly** bring me into court , on the charge that I do not believe that there are Gods ; τις αν δικαιως εισαγοι με εις δικαστηριον , οτι ου νομιζω ειναι θεους

by distrusting **The Oracle** and being fearful of death and think I am wise when I am not .

απειθων τη μαντεια και δεδιως θανατον και οιομενος σοφος ων ειναι ουκ .
For to fear death , O gentlemen , is nothing else than to think one is wise when one is not ;
γαρ το δεδιεναι τοι θανατον , ω ανδρες , εστιν ουδεν αλλο η δοκειν ειναι σοφον οντα μη :
for it is thinking one knows that which one does not know . For , on the one hand , no one even
γαρ εστιν δοκειν ειδεναι α ουκ οιδεν . γαρ μεν ουδεις
knows whether **Death** does not happen to be The Greatest of All **Goods** for human-beings ,
οιδε ει τον θανατον ουδ' τυγχανει ον των μεγιστον παντων αγαθων τω ανθρωπω ,
29B but on the other hand , they fear it , as if , they knew well , that **it** is the greatest of **ills** .

δ' δεδιασι ως ειδοτες ευ οτι εστι των μεγιστον κακων .
And how is this not the most reprehensible form of ignorance , that of thinking one knows that
και πως εστιν τουτο ουκ η επονειδιστος αυτη αμαθια , η του οιεσθαι ειδεναι
which one does not know ? But equally , O gentlemen , it is in this regard I also differ from most

α ουκ οιδεν ; δ' ισως , ω ανδρες , ενταυθα τουτω εγω και διαφερω των πολλων
humans , and if I were to say that I am wiser in anything , it would indeed be in this , that by not
ανθρωπων , και ει του φαιην ειναι σοφωτερος τω , αν δη τουτω , οτι ουκ
knowing sufficiently enough about the affairs in **Hades** , I also do not think I know in this way .

ειδως ικανως περι των εν Αιδου και ουκ οιομαι ειδεναι ουτω :
On the other hand , I do know , that it is wrong and dishonorable to do injustice and to disobey

δε οίδα οτι εστιν κακον και αισχρον το αδικειν και απειθεν
Those that are Better than I , whether **God** or human . Surely then , I shall never fear nor avoid

τω βελτιονι , και θεω και ανθρωπω . ουν ουδεποτε φοβησομαι ουδε φευξομαι
those matters concerning which , I do not know whether they happen to be **Good** , rather than

29C α μη οίδα ει τυγχανει οντα αγαθα προ
bad ones , which I know are bad . So that , even if thou acquits me now and are not persuaded
των κακωνων οίδα εστιν κακα : ωστε ει υμεις αφιετε με νυν ουδ' απιστησαντες
by Anytos , who said that either I should not have been brought here from the beginning , or since

Ανυτω , ος εφη η εμε δειν ου εισελθειν δευρο την αρχην η , επειδη
I was brought to trial , not putting me to death was not an option , advising thee that , if I were

εισηλθον , ουχ με αποκτειναι ειναι μη το οιον τ' , λεγων προς υμας ως , ει
set free , surely , all thine sons would be altogether and utterly-ruined by **practicing** that which
διαφευξοιμην , ηδη παντες υμων οι υιεις αν παντα πασι διαφθαρησονται επιτηδευνοντες α
Socrates teaches , - if thou should say to me , in reply to this : “O Socrates , on the one hand ,

Σωκρατης διδασκει , - ει εφ' προς μοι ειποιτε ταυτα : ω Σωκρατες , μεν
this time , we will not do as Anytos pleads , but we will let thee go , however , on this condition ,

νυν , ου Ανυτω πεισομεθα , αλλ' αφιεμεν σε , μεντοι επι τουτω ,
that thou no longer spends time in **This Investigation** or in **Philosophy** ; but if you should be
ωτε μηκετι διατριβειν εν ταυτη τη ζητησει μηδε φιλοσοφειν : δε εαν

29D caught still **practicing this business** , thou shall die ” ; Thus , if you should let me go on this
αλως ετι πραττων τουτο , αποθανει : ουν ει αφιοιτε με επι τουτοις
condition which I have mentioned , I will reply to thee , telling thee that , “ Athenian gentlemen ,

οπερ ειπον , εγω αν ειποιμ' υμιν υμας οτι ανδρες Αθηναιοι ,
on the one hand , I respect and love thee , whereas , I shall obey **The God** , rather than thee ,

μεν ασπαζομαι και φιλω , δε πεισομαι τω θεω μαλλον η υμιν ,
and as long as I may breathe , and able to continue , I shall not , in any way cease being a

και εωσπερ αν εμπνεω και οιος τ' ω , ου μη παυσωμαι
Philosopher and cease from **Encouraging** thee , and always **Showing Good-will** to any one
φιλοσοφων και παρακελευομενος υμιν τε και αι ενδεικνυμενος οτω

of thee whom I meet , saying in my *customary habit* that : O best of braves , thou who are
υμων εντυγχανω , λεγων οιαπερ ειωθα , οτι , ω αριστε ανδρων , ων
a citizen of Athens , the greatest of cities , and the most famous for **Wisdom** and **Strength** ,
Αθηναιος , της μεγαλουργιας πολεως και ευδοκιμωτατης εις σοφιαν και ισχυν ,
29E are thou not ashamed , on the one hand , to care for the acquisition of wealth ,
ουκ αισχυνει μεν επιμελουμενος χρηματων
in such a manner so that thou have as much as possible , and for reputation and for honor ,
οπως σοι εσται ως πλειστα , και δοξης και τιμης
when thou do not care nor take thought for **Soundness of Mind** and **Truth** in such a way as to
δε ουκ επιμελει ουδε φροντιζεις φρονησεως και αληθειας οπως ως
what is **Best** for thine **Soul** ? And if anyone of thee argues , and says they do care , I shall not
εσται βελτιστη και της ψυχης ; και εαν τι υμων αμφισβητη και φη επιμελειςθαι , ουκ
let them go at once , nor shall I go away , but I shall *question* and *examine* and *refute* self
αφησω ευθυς ουδ' απειμι , αλλ' ερησομαι και εξετασω και ελεγχω αυτον ,
and if it appears to me that they do not possess **Virtue** , but say they do , I shall *rebuke* self ,
και εαν δοκη μοι μη κεκτησθαι αρετην , δε φαναι , ονειδιω ,
30A since they place less value on matters that are most precious , but sets more value on matters
οτι ποιειται ελαχιστου περι τα πλειστου αξια , δε πλειονος περι τα
that are of less worth . This , I shall do , to whomever I meet , young and old , and foreigner and
φauλoтepa.тaυтa,an ποιησω,οτω εντυγχανω, και νεωτερω και πρεσβυτερω,και ξενω και
citizen , but most to the citizens , inasmuch as thou are more nearly related to me . For , know
αστω , δε μαλλον τοις αστοις , οσω εστε εγγυτερω γενει μου . γαρ , ιστε(οιδα)
well , that **The God Commands** me to *do this* , and I believe that no greater **Good** , up to this time
ευ , ο θεος κελευει ταυτα , και εγω οιομαι ουδεν μειζον αγαθον πω
came to pass for thee in the city than my **Service to The God** . For I go about doing nothing
γενεσθαι υμιν εν τη πολει η εμην την υπηρεσιαν τω θεω.γαρ περιερχομαι πραττων ουδεν
else than *urging* thee , young and old , not to care for thine bodies nor thine personal
αλλο η πειθων υμων και νεωτερους και πρεσβυτερους μητε επιμελειςθαι σωματων μητε
30B property , more nor even as much , as for thine **Souls** ; in such a way as to what is **Best** ,
χρηματων σφοδρα μηδε ως ουτω προτερον της ψυχης , οπως ως εσται αριστη ,
by *informing* thee , that **Virtue** does *not* come from money , but from **Virtue** , comes money and
λεγων οτι αρετη ουκ γινεται εκ χρηματων , αλλ' εξ **αρετης** χρηματα και
all the other Goods for humans , both to the individual and to the people . If , therefore , on the
απαντα τα αλλα αγαθα τοις ανθρωποις και ιδια και δημοσια . ει ουν
one hand , *by saying* these things , I corrupt the youth , these things , must be injurious ; but if ,
μεν λεγων ταυτα διαφθειρω τους νεους , ταυτ' αν ειη βλαβερα : ει
on the other hand , anyone asserts that I *say* other things than these , what they say , is untrue .
δε τις φησιν με λεγειν αλλα η ταυτα , λεγει ουδεν .
Therefore this being so , O Athenians , I will say to thee , either do as Anytos says , or not ,
προς ταυτα , ω αθηναιοι , αν φαιην , η πειθεσθε Αυτω η μη ,
and either let me go , or , do not let me go , knowing that I shall not change *my customary ways* ,
και η αφιετε η μη αφιετε , ως εμου αν ουκ ποιησοντος αλλα ,
30C not even if I am to die many times over .
ουδ' ει μελλω τεθναναι πολλακις .

18 Do not make a disturbance , men of Athens ; but continue to do what I asked of thee ;
Μη θορυβειτε , ανδρες Αθηναιοι , αλλ' εμμεινατε οις μοι εδεηθην υμων ,
by not interrupting that which I should say , but listen ; and I believe thou will **Profit** by hearing .
εφ' μη θορυβειν οις αν λεγω , αλλ' ακουειν : και γαρ ως εγω οιμαι ονησεσθε ακουοντες .

For certainly I am going to say some other things to thee , at which thou will likely cry out ;
 γαρ ουν μελλω ερειν και αλλα αττα υμιν , εφ' οις ισως βοησεσθε :
 but do not do so , by any means . For know well , that if thou kills me , I , being such as
 αλλα ποιεите τουτο μηδαμως . γαρ ιστε ευ εαν αποκτεινητε εμε οντα τοιουτον οιον
 I say I am , thou will not so much injure me as thou will injure selves ; for on the one hand ,
 λεγω εγω , ουκ μειζω βλαψετε εμε η υμας αυτους : γαρ μεν
 neither could Meletus nor Anytos , injure me ; for that would not be possible ; for I believe
 ουδεν αν Μελητος ουτε Ανυτος βλαψειεν εμε : γαρ αν ουδε δυναίτο : γαρ οιομαι
30D that it is not **Lawful** that a better man be injured **by** a worse . However , perhaps , they might
 ειναι ου **θεμιτον** αμεινονι ανδρι βλαπτεσθαι **υπο** χειρονος . μεντ' , ισως , αν
 kill me or banish me or disrespect me ; thus in this way , perhaps , on the one hand , they think ,
 αποκτεινειε η εξελασειεν η ατιμωσειεν : αλλα ταυτα ισως μεν οιεται
 they inflict great injuries upon this person , and others may think so , but I , on the other hand ,
 μεγαλα κακα ουτος , και τις αλλος που , εγω δ'
 do not think so ; but they do this much greater injury ; by doing that which they are doing now ,
 ουκ οιομαι , αλλα ποιειν ουτος πολυ μαλλον ποιει α νυνι
 by undertaking to kill a man **unjustly** . Therefore , O gentlemen of Athens , I am now **Advocating**
 επιχειρειν αποκτινυνναι ανδρα αδικως . ουν , ω ανδρες Αθηναιοι , εγω νυν απολογεισθαι
 not so much for the sake of myself , as one might imagine , but for the **need/fault** of thyselfes ,
 μη πολλου υπερ εμαυτου , ως τις αν οιοιτο , αλλα υπερ δεω υμων ,
 that by condemning me , thou **miss the mark** , in thine treatment of **A Certain Gift** of **The God** .
 αταπηφισαμενοι εξαμαρτητε υμιν περι τι την δοσιν του θεου .
30E For if thou put me to death , you will not easily find another such **Gift**
 τι την δοσιν του θεου . γαρ εαν εμε αποκτεινητε , ου ραδιως ευρησετε αλλον τοιουτον
 if I may use a rather absurd figure , that **Attaches Himself** to the city , just as a gadfly
 ει και ειπεν γελοιοτερον ατεχνως , προσκειμενον τη πολει , ωσπερ τινος μυωπος
 does to a horse ; which on the one hand , is large and well bred , but on the other hand ,
 ιππω , μεν μεγαλω και γενναιω δε
 is rather sluggish on account of its great size and **needs** to be **awakened** by the stinging .
 νωθεστερω υπο μεγεθους και δεομενω εγρειεσθαι υπο (μυωπος)
 Surely then it appears to me that **The God Attached** me to the city in some such way , by which
 δη δοκει μοι ο θεος προστεθεικεναι εμε τη πολει τινα τοιουτον οιον , ος
 I go about **awakening** and **persuading** and **reproaching** each one of thee , and I never cease
31A εγειρων και πειθων και ονειδιζων εκαστον ενα υμας ουδεν παυομαι
Attaching myself to thee everywhere , the whole day long . Certainly then , as such , another ,
 προσκαθιζων πανταχου την ολην ημεραν . ουν τοιουτος αλλος
 will not come easily to thee , O gentlemen ; then if you are **persuaded** by me , you will spare me .
 ου γενησεται ραδιως υμιν , ω ανδρες , αλλ' εαν πειθησθε εμοι , μου φεισεσθε :
 But you , perhaps , might presently be angry , just as those **awakened** from a nap , and might
 δ' υμεις ισως αν ταχ' αχθομενοι , ωσπερ οι νυσταζοντες εγειρομενοι , αν
 slap me , as Anytos urges , and may easily kill me ; then thou would pass the rest of thine lives ,
 κρουσαντες με , Ανυτω πειθομενοι , αν ραδιως αποκτειναιτε , ειτα αν διατελοιτε τον λοιπον βιον
asleep , if it were not the case , that **God** , in **His Care** for thee , should send someone else .
 καθευδοντες , ει μη ο θεος κηδομενος υμων επιπεμψειεν τινα αλλον
31B But that I happen to be such a one as this ; which having been given as a **Gift** of **The God** ,
 δ' οτι εγω τυγχανω οιος τοιουτος ων δεδοσθαι υπο του θεου
 to the city , thou could well-observe in this ; for on the one hand , it is **not** like human conduct
 τη πολει , αν κατανοησαιτε ενθενδε : γαρ μεν ου εοικε ανθρωπινω
 for me **to have neglected** (το ημεληκεναι)

all the affairs of myself , and for me *to have endured* the neglect of my affairs all these
το απαντων εμαυτου των και εμε ανεχεσθαι αμελουμενων των οικειων ηδη τοσαυτα
years , while on the other hand , to be always working in *thine* interest , by *approaching* each one
ετη δε αιει πραττειν υμετερον το , προσιοντα εκαστω
individually , just as a father or an elder brother , *persuading* thee to Care for *Virtue* . And
ιδια ωσπερ πατερα η πρεσβυτερον αδελφον , πειθοντα επιμελειςθαι αρετης . και
if I on the one hand , had taken any *Advantage* from these affairs and received pay for this *advise*
ει μεν απελαυον τι απο τουτων και λαμβανων μισθον ταυτα παρεκελευομην ,
there would be some *Logos* to it ; whereas now selves surely then also see , that the accusers ,
αν ειχεν τινα λογον : δε νυν αυτοι δη και ορατε , οτι οι κατηγοροι
though they shamelessly accuse me of everything else , of this indeed , they have not been able
ουτω αναισχυντως κατηγοουσιντες παντα ταλλα τουτο γε ουχ οιτοι
31C to work themselves up to such a degree of shamelessness , so as to produce a witness , that I
εγενοντο απαναισχυνησαι τε παρασχομενοι μαρτυρα , ως εγω
ever either exacted or asked payment from anyone . For I think I can produce a sufficient witness
ποτε η επραξαμην η ητησα μισθον τινα . γαρ οιμαι εγω παρεχομαι ικανον τον μαρτυρα ,
that I speak *The Truth* , such as my *Poverty* .
ως λεγω αληθη , την *πενιαν* .

19 Perhaps it may certainly seem atypical , that I on the one hand , do indeed go about interfering
ισως αν ουν ειναι δοξειεν ατοπον , οτι εγω μεν δη και περιων
in the affairs of others , to give this *advice* in private , while on the other hand , I do not dare
πολυπραγμανον , συμβουλευω ταυτα ιδια δε ου τολμω
come up before thine assembly to advise the city in public . But *The Cause* of this ,
αναβαινων εις το υμετερον το πληθος συμβουλευειν τη πολει δημοσια . δε αιτιον τουτου
31D which thou have heard me say , at many times and places , is that *Something Divine* and
ο υμεις ακηκοατε εμου λεγοντος πολλαχου πολλακις , εστιν τι *θειον* και
Spiritual comes to me ; indeed *That which* Meletos also ridiculously wrote up in his indictment .
δαιμονιον γινεται μοι , δη ο Μελητος και επικωμωδων εγραψατο εν τη γραφη :
But this has been the case beginning from my childhood ; it is *a Certain Voice* that comes to me ,
δε τουτ' αρξαμενον εκ παιδος εστιν τις φωνη γιγνομενη εμοι ,
and when *This* comes , *This* always *turns me away* , from that which I may be intending to do ,
η οταν τουτο γενηται , τουτο αιει αποτρεπει με ο αν μελλω πραττειν ,
but never urges me forward . *This* is *That* which opposed me from entering politics . And *This*
δε ουποτε προτρεπει : τουτ' εστιν ο εναντιουται μοι πραττειν τα πολιτικα . και
very opposition appears to me to be *All Good* indeed . For know well , O gentlemen of Athens ,
εναντιουσθαι δοκει μοι *παγκαλως* γε : γαρ ιστε ευ , ω ανδρες Αθηναιοι ,
that if I had undertaken to enter into the business politics , I would have been put to death
ει εγω επεχειρησα πραττειν τα πραγματα πολιτικα , αν απολωλη
31E long ago and would have not *Benefited* thee nor myself . And do not be angry with me
παλαι και αν ουδεν *ωφεληκη* υμας ουτ' αν εμαυτον . και μη αχθεσθε μοι
for speaking *The Truth* ; for the fact is , that *no* human will save their life who *Nobly* opposes ,
λεγοντι ταληθη : γαρ εστιν ου ανθρωπων σωθησεται οστις *γνησιως* εναντιουμενος
in any way , either thee or any other multitude and *prevents* many *unjust* and *illegal* acts from
ουδενι η υμιν ουτε αλλω πληθει και διακωλυων πολλα αδικα και παρανομα
happening in the city . Thus it is necessarily the case , that whosoever really fights *for Justice* ,
γιγνεσθαι εν τη πολει , αλλ'εστι αναγκαιον τον τω οντι μαχουμενον *υπερ του δικαιου* ,
32A and if they intend to be preserved for a little while , they must do so privately , not publicly .
και ει μελλω σωθησεσθαι ολιγον χρονον ιδιωτευειν , αλλα μη δημοσιευειν .

20 But of these matters , I will at least , provide thee great signs/proofs ; not by **Logos** ,
 δ' τουτων εγωγε αν παρεξομαι υμιν Μεγαλα τεκμηρια , ου λογους ,
 but that which *thou* honors , deeds . Hear then my deeds ; of the things that happened to me ,
 αλλ' ο υμεις τιματε , εργα . ακουσατε δη μου , τα ξυμβεβηκοτα εμοι ,
 in order that thou may know , that I would not give way to any one in matters concerning **Justice**
 ινα ειδητε , οτι αν ουδ' υπεικαθοιμι ενι το παρα **δικαιον**
 through fear of death , but out of both , I would rather die than yield . Thus what I say to thee
 δεισας θανατον , δε αμ' αν και απολοιμην μη υπεικων . δε ερω υμιν
 is on the one hand , burdensome and judicial , whereas on the other hand , it is also **True** .
 μεν φορτικα και δικανικα , δε αληθη .
32B For I , O Athenians , never at all held any other office in the city, other than being a member
 γαρ εγω , ω Αθηναιοι , ποποτε ουδεμιαν ηρξα αλλην αρχην εν τη πολει , δε εβου-
Counsel . And so it happened that our tribe had the **Presidency** , when thou **illegally wanted**
 -λευσα : και ετυχεν υμων η φυλη πρυτανευουσα , οτε υμεις **παρانونως εβουλευσθε**
to judge collectively the ten generals , who did not gather up the slain after the naval battle ,
κρινειν τους αθροους τους δεκα στρατηγους , τους ουκ ανελομενους εκ της ναυμαχιας ,
 as all of thee believed for some time afterwards . At that time , I was the only one of the
 ως πασιν υμιν εδοξε εν τω χρονω υστερω . τοτ' εγω μονος των
Counselors opposed to thee doing anything contrary to **The Laws** ; even though the orators
 πρυτανεων ηναντιωθην υμιν ποιειν μηδεν παρα τους νομους : και ετοιμων των ρητορων
 were ready to inform against and arrest me , while thou urged them on and cried out at them ,
 οντων ενδεικνυναι και απαγειν με , και υμων κελευοντων και βοωντων ,
32C but with **Law** and **Justice** on my side , I thought I must run all risks , rather than join thee ,
 μετα του νομου και του δικαιου με ωμην δειν διακινδυνευειν μαλλον η μεθ' υμιν
 out of fear of bondage or death , when thine wishes happened to be **unjust** . And that was when
 φοβηθεντα δεσμον η θανατον , ημων βουλευομενων γενεσθαι μη δικαια . και ταυτα ην
 on the one hand , the democracy of the city still existed ; but on the other hand , thereafter when
 μεν της δημοκρατουμενης πολεως ετι και : δε επειδη
 the oligarchy was established , the Thirty , in turn , sent for me to come to the courthouse ,
 ολιγαρχια εγενετο , οι τριακοντα αυ μεταπεμψαμενοι με εις την θολον
 ordering me to bring **Leon** the Salaminian ; from Salamis , in order to put **Self**
 προσεταξαν αγαγειν Λεοντα τον Σαλαμινιον εκ Σαλαμιнос , ινα πεμpton αυτον
 to death . Those oligarchs surely gave many such orders to many others , because they wished
 αποθανοι : εκεινοι δη και πολλα οια προσεταττον πολλοις αλλοις , βουλομενοι
 to implicate as many as they could infect . At that time , however , I again showed forth ,
 αιτιων ως πλειστος αναπλησαι : τοτε μεντοι εγω αυ ενεδειξαμην
32D not by **Logos** , but by deed , that to me , on the one hand , death meant nothing whatsoever ,
 ου λογω αλλ' εργω οτι εμοι μεν θανατου μελει , ουδ' οτιουν ,
 if that is not too rude an expression , whereas , I did care about **this** with all my being , that I must
 ει ην μη αγροικότερον ειπειν , δε μελει τουτου το παν του δε
 not do anything **unjust** nor **unholy** . For , that oligarchic rule , along with all its power ,
 μηδεν εργαζεσθαι **αδικον** μηδ' **ανοσιον** . γαρ εκεινη η αρχη ουτως ουσα ισχυρα ,
 did not frighten me , so that I would do anything **unjust** ; therefore when we came out of the
 ουκ εξεπληξεν εμε , ωστε εργασασθαι τι **αδικον** , αλλ' επειδη εξηλθομεν εκ της
 courthouse , on the one hand , the other four went to Salamis to bring-back Leon , while I on the
 θολου , μεν οι τετταρες ωχοντο εις Σαλαμινα ηγαγον Λεοντα , εγω
 other hand , I went far away from home . And perhaps I should have been put to death for this ,
 δε ωχομην απιων οικαδε . και ισως αν απεθανον δια ταυτα ,

32E if their rule had not been quickly put down . And of these deeds there are many witnesses .
ει η αρχη μη δια ταχεων κατελυθη : και τουτων υμιν εσονται πολλοι μαρτυρες .

21 Take notice then , does thou believe that I could have survived so many years , if I had been
Αρ' ουν οισεθε με αν διαγενεσθαι τοσαδε ετη , ει ε-
doing public business , while acting in ways deserving of a good man ; by coming to the aid
-πραττον τα δημοσια , και πραττων αξιως αγαθου ανδρος , εβοηθουν
of those matters that are **Just** , just as one must do , and considering this to be , of the highest
τοις **δικαιοις** , ωσπερ χρη , και εποιουμην τουτο περι
importance ? Far from it indeed , O gentlemen of Athens . For neither could any other human .

33A πλειστον ; πολλου δει γε , ω ανδρες Αθηναιοι . γαρ ουδε αν ουδεις αλλος ανθρωπων
But such you will find , that throughout all my life , both in public , if was I engaged in any way ,
αλλ' τοιουτος φανουμαι δια παντος του βιου τε δημοσια , ει επραξα τι που ,
and in private , I have always been this same human being , and I have never , in any way
και ιδια ουτος ο αυτος , ποποτε ουδενι
acquiesced to any one in matters concerning **Justice** , neither to any other person , nor anyone
ξυγχωρησας ουδεν παρα το **δικαιον** ουτε αλλω ουτε ουδενι
of those , who are said by my **slanderers** , to be my students . For on the one hand , I have never
τουτων , ους φασιν εμε οι διαβαλλοντες ειναι εμους μαθητας . δε εγω ποποτ'
become a teacher of anyone . But if , on the other hand , any one , whether young or old ,
εγενομην διδασκαλος ουδενος : ει δε τις ειτε νεωτερος ειτε πρεσβυτερος ,
wishes to hear me **discussing** and **practicing** the **Calling** of myself , that I have never in any way
επιθυμει ακουειν μου λεγοντες και πραττοντος τα εμαυτου , ποποτε ουδενι
objected , nor do I , on the one hand , take up discussions only when I am paid , nor then do I
33B εφθονησα , ουδε μεν λαμβανων διαλεγομαι μη χρηματα ου δε
take them up , but on the other hand , **I offer myself up** for questioning to poor and rich alike ,
λαμβανων αλλ' παρεχω εμαυτον ερωταν και πενητι και πλουσιω ομοιως ,
and if anyone wishes , they may answer and hear that which I will say . And if anything I say
και εαν τις βουληται αποκρινομενος ακουειν ων αν λεγω . και ειτε τις τουτων
turns out to be useful or not , I should justly , not be held responsible , of that which I never
γινεται χρηστος ειτε μη , εγω αν δικαιως ουκ υπεχοιμι την αιτιαν , ων μητε
promised nor ever gave any instruction to any of them ; but if ever anyone says that
υπεσχομην μητε ποποτε εδιδαξα μαθημα μηδενι : δε ει ποποτε τις φησι
they learned or heard anything independently/secretly from me , and which instruction/secret ,
μαθειν η ακουσαι τι ιδια παρ εμου και ο τι
all the others did not receive , then know well , that they are **not** telling **The Truth** .
παντες αλλοι μη , ιστε ευ , οτι ουκ λεγει αληθη .

22 But why ever then , do some people , truly love spending so much of their time with me ?

Αλλα δια τι ποτε δη τινες χαιρουσι διατριβοντες πολυν χρονον μετ' εμου ;
You have heard the reason , O gentlemen of Athens . I told thee **The Whole Truth** ; it is because

33C ακηκοατε , ω ανδρες Αθηναιοι : εγω ειπον υμιν την πασιν αληθειαν : οτι
they love to listen to those that are examined , who on the one hand , think they are wise ,
χαιρουσιν ακουοντες τοις εξεταζομενοις μεν οιομενοις ειναι σοφοις ,
while on the other hand , they are not ; for it is not unpleasant .

δ' ουσι ου : γαρ εστι ουκ αηδες .

But as **He** says to me , I have been **Commanded** to do this by **The God** , through both
δε ως φημι εμοι εγω προστετακται πραττειν τουτο υπο του θεου εκ και
Divination and through **Dreams** and in **Every Way** through which a human has been **Commanded**
μαντειων εξ και **ενυπνιων** και **παντι τροπω** και ωπερ ανθρωπω ποτε προσεταξε

and also through some other **Divine Allotment** , to do anything whatsoever . This , O Athenians ,
και αλλη θεια μοιρα πραττειν τις οτιουν . ταυτα , ω Αθηναιοι ,
is **True** and easily tested . For certainly if I , for my part , on the one hand , corrupt some of the
33D εστιν και αληθη και ευελεγκτα . γαρ δη ει εγωγε μεν διαφθειρω τους των
Young , and thus , have corrupted some others , then without a doubt , any one of **Selves** who
νεων , δε διεφθαρκα τους , δηπου τινες αυτων γενο-
have grown older , must either **recognize/know** that I have ever yet gave **Selves** any bad advise
-μενοι πρεσβυτεροι χρην ειτε **εγνωσαν** οτι εγω πωποτε αυτοις τι κακον ξυμβουλευσα
when they were **Young** , **Selves** should now , come forward to accuse and denounce me .

ουσιν νεοις , αυτους νυν αναβαινοντας κατηγορειν και τιμωρεισθαι εμου .
But on the other hand , if **Selves** do not wish to do it , then some of their relatives – fathers ,
δε ει αυτοι μη ηθελον , τινας των οικειων των οικειων , πατερας
or brothers or other kinsfolk - must come forward as it is proper , if indeed the kinsmen of **Selves**
και αδελφους και αλλους τους , προσηκοντας , ειπερ οι οικειοι αυτων
have suffered any wrong under my influence ; now is the time to remember . Truly there are thus
τι κακον υπ' εμου επεπονθесαν , νυν μεμνησθαι . παντως δε
many of **Selves** here present of whom I see ; first , on the one hand , Crito , who is of my own age
πολλοι αυτων ενταυθοι παρεισιν , ους εγω ορω , πρωτον μεν Κριτον , εμος ηλικιωτης
33E and my own tribe and father of Critobulos , who is also present ; then there is Lysanias , the
και δημοτης , τουδε πατηρ Κριτοβουλου , ουτοσι , επειτα Λυσανιας ο
Sphettian , father of Aeschines ; and present also is Antiphon the Cephisian , father of Epigenes .
Σφηττιος , πατηρ τουδε Αισχινου , ουτοσι ετι Αντιφων ο Κηφισιευς , πατηρ Επιγενοους :
Then certainly , here are other **Selves** whose brothers joined in those conversations ,

τοιουν αλλοι αυτοι ων οι αδελφοι γεγονασιν εν ταυτη τη διατριβη ,
Nicostratos , son of Theozotides and brother of Theodotos - Theodotos now being dead , so that
Νικοστρατος ο Θεοζοτιδου , αδελδος Θεοδοτου – ο Θεοδοτος και μεν τετελευτηκεν , ωστε
that one could certainly not stop **Self** - and then there is Paralus , son of Demodocos ,
εκεινος αν γε ουκ καταδεηθειη αυτου – , και οδε Παραλος ο Δημοδοκου ,
of which Theages was his brother . Then , on the other hand , Adeimantos , son of Ariston ,
ων Θεαγης ην αδελφος . οδε δε Αδειμαντος ο Αριστωνος ,
34A whose brother , Plato is present , and Aiantodoros , whose brother , Apollodoros is present .

ου αδελφος Πλατων ουτοσι , και Αιαντοδορος , ου αδελφος Απολλοδωρος οδε .
And I can mention to thee many others , certain ones , on the one hand , of whom Meletos should
και εγω εχω ειπειν υμιν πολλους αλλους , τινα μεν ων Μελητον εχρην
certainly have produced as a witness in his logos ; but if he forgot it then , let him produce
μαλιστα παρασχεσθαι μαρτυρα εν εαυτω τω λογω : δε ει επελαθετο τοτε , παρασχεσθω
them now , I yield the floor to him , and let him say , if he has any such witnesses . . .

νυν , εγω παραχωρω , και λεγω , ει εχει τι τοιουτον .

But you will find the exact opposite of this , O gentlemen , and that all of them
34B αλλα ευρησετε παν τουναντιον τουτου , ω ανδρες , παντας
are ready to offer aid *to me* , *to one who* corrupts and works mischief on the relatives of **Selves** ,
ετοιμους βοηθειν εμοι , τω διαφθειροντι τω εργαζομενω κακα τους οικειους αυτων ,
as Meletos and Anytos say . For on the one hand , those who have been themselves corrupted ,
ως Μελητος και Ανυτος φασι . γαρ μεν οι διεφθαρμενοι
might thus have some motive in aiding me ; but on the other hand , what reason could their
αν ταχ' εχοιεν λογον βοηθουντες : δε τουτων
proper relatives have , those who have **not** been corrupted and are already older men ?
οι προσηκοντες , οι αδιαφθαρτοι ηδη πρεσβυτεροι ανδρες ,

What other **Motive/Logos** could they have for supporting me , other than **The Correct** and
τινα άλλον λόγον αν εχοιεν βοηθουντες εμοι αλλ' η τον ορθον τε και
Just Motive ; that they **Realize** that Meletos is **lying** , and that I am **speaking The Truth** ?
δικαιον , οτι ξυνισασι Μελητω μεν **ψευδομενω** , δε εμοι **αληθευοντι** ;

23 Surely then on the one hand , let these be nearly all that I will **Advocate** , O gentlemen , and
δη μεν Ειεν ταυτα σχεδον απολογεισθαι , ω ανδρες , και
such are other concerns which I will have to answer in the same way . Thus on the other hand ,
τοιαυτα εστι αλλα α εγω αν εχοιμ' ισως . δε
perhaps some of thee will be offended when they remember the agonizing trial of thyself ,
34C ταχα τις υμων αν αγανακτησειεν αναμνησθεις του αγωνιζομενος αγωνος εμαυτου ,
if they on the one hand , in a trial of less importance than this , begged and supplicated the judges
ει ο μεν και αγωνα ελαττω τουτουι εδεηθη τε και ικετευσε τους δικαστας
with many tears , and brought forth children of self , and many other friends
μετα πολλων δακρυων , τε αναβιβασαμενος παιδια αυτου , και πολλους αλλους φιλων
and relatives , in order that they arouse some sort of exceeding pity ; while I , on the other hand ,
και των οικειων , ινα ο τι μαλιστα ελεηθειη , αρα εγω δε
will do none of these things , though I may be apparently , in extreme danger . Therefore perhaps
ποιησω ουδεν τουτων , ως αν δοξαιμι , τον εσχατον κινδυνον . ουν ταχ'
someone with these thoughts in mind may be more-stubbornly disposed towards me , and by
τις ταυτα εννοησας αν αυθαδεστερον σχοιη προς με , και
being angry at this , they may cast their vote in anger . If indeed any one of thee is so disposed ,
οργισθεις τουτοις αν θειτο αυτοις την ψηδον μετ' οργης . ει δη τις υμων ουτως εχει ,
–I at least do not believe there is such a person – but if there is , then I think that it will be
–μεν εγωγε ουκ αξιω γαρ ; δ' ει ουν δοκω οτι αν
reasonable for me to say to this person , “O Noble One , I also , on the one hand , do indeed have
34D επιεικη μοι λεγειν προς τουτον , ω αριστε , εμοι και μεν που εισιν
some relatives ; for **Self** says this just as the **Logos** of Homer says ;
τινες οικειοι ; γαρ αυτο τουτο και το του Ομηρου λεγων

‘I am not born from an oak nor from a rock’ ,

εγω ουδ' πεφυκα απο δρυος ουδ' απο πετρης , **ODY XIX , 163**

but from human-beings , so that I have relatives , O gentlemen of Athens , and three sons ,
αλλ' εξ ανθρωπων , ωστε μοι εισι οικειοι , ω ανδρες Αθηναιοι , και τρεις υιεις ,
one nearly grown up , and two still children ; but nevertheless I shall bring not one of Selves here
εις μεν ηδη μειρακιον , δε δυο παιδια :αλλ ομως αναβιβασαμενος ουδενα αυτων δευρο
and beg thee to acquit me . Why then shall I indeed not , do these things ? Not by being willful ,
δεησομαι υμων αποψηφισασθαι . τι ουν δη ουδεν ποιησω τουτων ; ουκ αυθαδιζομενος ,
O Athenians , nor out of lack respect for thee , but on the one hand , whether I have some fear
34E ω Αθηναιοι , ουδ' ατιμαζων υμας , αλλ' μεν ει εγω εχω θαρραλεως
of death or not , is another **Logos**/matter , thus on the other hand , for the sake of my reputation
προς θανατον η μη , αλλος λογος , ουν δ' προς και εμοι δοξαν
and thine and that of the whole city , I think it is not fair for me to **do** any of these things and
και υμιν και τη ολη πολει δοκει ειναι ου καλον μοι **ποιειν** ουδεν τουτων και
in view of my age and this reputation of mine , whether true or false ;

εχοντα οντα τηλικονδε και τουτο τουνομα εμε , ειτ' αληθες ουν ειτ' ψευδος ουν :

35A then since the opinion prevails that Socrates is in some way **different** than most humans .

ουν αλλ' δεδογμενον γε τω Σωκρατει εστι τινη διαφερειν των πολλων ανθρωπων .
If then those of thee who are supposed to be **different** either in **wisdom** or in **courage** or in any
ει ουν οι υμων δοκουντες διαφερειν ειτε σοφια ειτε ανδρεια ειτε ητινιουν

other **Virtue** were to **behave** in such a way , it would be disgraceful ! On the one hand ,
 αλλη αρετη εσονται τοιουτοι , αν ειη αισχρον : μεν
 I have often seen some men who had some reputation in that situation , but on the other hand ,
 εγω πολλακις εωρακα τινας ειναι τι δοκουντας οiousπερ , δε
 when they were on trial , they **behave** in the strangest way , as if they thought they were going
 οταν κρινωνται , εργαζομενους θαυμασια , ως οιομενους πει-
 to suffer something terrible , if they were put to death , as if they would be Immortal , if thou
 σεσθαι τι δεινον , ει αποθανουνται , ωςπερ εσομενων αθανατον , υμεις
 would not kill selves . To me such **behavior** fastens disgrace upon the city , so that any
 αν μη αποκτεινητε αυτους : εμοι οι **δοκουσιν** περιπατειν αισχυνην τη πολει , ωστ' τινα
 stranger might also bring up , that the Athenians who “excel in virtue”, those selves whom
35B των ξενων αν και υπολαβειν οτι οι Αθηναίων διαφεροντες εις αρετην , αυτοι ους
 selves honor both with offices and other marks of distinction , these very same “selves” are no
 more εαυτων προκρινουσιν τε εν ταις αρχαις και ταις αλλαις τιμαις , ουτοι ουδεν
 more **different** than women . For such acts , O gentlemen of Athens , we who have any reputation
 διαφερουσι γυναικων . γαρ ταυτα , ω ανδρες Αθηναίοι , ημας ειναι τι τους δοκουντας
 whatsoever , must not **commit** , and if we would **commit** them , thou must not allow it ,
 οπηουν χρη ουτε **ποιειν** , αν ημεις **ποιωνεν** υμας ουτ' επιτρεπειν ,
 but this **Self** you must make clear , that thou will be much more ready to condemn one who
 αλλα τουτο αυτο ενδεικνυσθαι , οτι πολυ μαλλον καταψηφεισθε του
 puts before thee such pitiable dramatic-scenes and **makes** the city ridiculous ,
 εισαγοντος τα ταυτα ελεεινα δραματα και **ποιουντος** την πολιν καταγελαστον
 rather than **One** who maintains their **Quietude/Peace/Calm** .
 η του αγοντος ησυχιαν .

24 But apart from public opinion , O gentlemen , neither does it appear to me to be **Just**
 δε χωρις της δοξης , ω ανδρες , ουδε δοκει μοι ειναι δικαιον
 to implore nor to get acquitted by begging the judge . Since we should instruct and persuade .
35C δεισθαι ουδε αποφευγειν δεομενον του δικαστου , αλλα διδασκειν και πειθειν .
 For the judge does not sit in judgment in order to grant favors to them in matters of **Justice** ,
 γαρ ο δικαστης ου καθηται τω καταχαριζεσθαι τουτω επι τα δικαια ,
 but to give judgment upon these matters ; and his oath binds him , not to grant favors which
 αλλ' τω κρινειν επι ταυτα : και ομωμοκεν ουχ αριεισθαι οis
 would accord with the opinion belonging to self , but to judge according to **The Laws** .
 αν δοκη αυτω , αλλα δικασειν κατα **τους νομους** .
 Accordingly then , neither must *we* get you into the **habit** of breaking your oaths , nor must *thou*
 ουκουν ουτε χρη ημας υμας **εθιζειν** επιορκειν ουθ' υμας
 fall into that **habit** ; for then neither of us would **act piously** . Therefore , do not , O gentlemen
εθιζεσθαι : γαρ ουδετεροι ημων αν **ευσεβοιεν** . ουν μη , ω ανδρες
 of Athens , demand of me , that I must **act** before thee in a way , which I am led to believe to be
 Αθηναίοι , αξιουτε με , δειν **πραττειν** προς υμας τοιαυτα , α ηγουμαι ειναι
35D neither **Beautiful** nor **Just** nor **Pious** , and especially by **God** , when impiety is certainly also
 μητε **καλα** μητε **δικαία** μητε **οσια** , τε αλλως νη **Δια** ασεβιας μεντοι και
 that under which , Meletos here , has brought me to trial . For it is clear , that if I were to mislead
 υπο Μελετου τουτουι , φευγοντα . γαρ σαφως , ει αν πειθοιμι
 and implore thee , and thus compel thee *not* to keep thine oaths , I would in this way teach thee ,
 και τω δεισθαι υμας βιαζοιμην (μη) ομομοκοτας , αν διδασκοιμι υμας
 not to be led to believe in the existence of **The Gods** , and would make my defense unskillfully ,
35E μη ηγεισθαι ειναι θεους , και αν απολογουμενος ατεχνως

and thus accuse myself , that I do not believe in **Gods** . But that is far from the way that it needs κατηγορειν εμαυτου , ως ου νομιζω θεους . αλλα πολλου ουτως δει to be . For I do indeed believe , O gentlemen of Athens , but yet not one of my accusers does , εχειν : γαρ τε νομιζω , ω ανδρες Αθηναιοι , και ως ουδεις των εμων κατηγορων , and so , I turn my case over to thee and to **God** to judge as to what is **Best** for me and for thee . και επιτρεπω υμιν και τω θεω κριναι περι εμου οπη μελλει ειναι **αριστα** εμοι τε και υμιν .

Socrates is found guilty of the charges 220 to 281

25 That on the one hand , I am not discontented , O gentlemen of Athens , at this
To μεν μη αγανακτειν , ω ανδρες Αθηναιοι , τουτω vote of condemnation that thou have cast against me ; since many reasons lent a hand to me , **36A** τω κατεψηφισασθε οτι γεγονοτι επι μου , τε πολλα αλλα ξυμβαλλεται μοι , among them , the fact that this decision was not a surprise to me , but I am much more surprised και το γεγονος τουτο γεγονεν ουκ ανελπιστον μοι , αλλα πολυ μαλλον θαυμαζω by the number of votes generated on either side . For I at least did not expect such a small τον αριθμον των ψηφων γεγονοτα εκατερων . γαρ εγωγε ου εσεσθαι ουτω παρ' ολιγον majority , but a much larger one . But now , on the other hand , as it appears , if only thirty votes ωομην αλλα παρα πολυ : νυν δε , ως εοικεν , ει μοναι τριακοντα των ψηφων had been cast the other way , I would have been acquitted . Thus , on the one hand , as it appears μετεπεσον αν αποπεφυγη . ουν μεν ως δοκω to me , concerning Meletos , I have even now been acquitted ; and not merely acquitted , εμοι , Μελητου , και νυν αποπεφευγα , και ου μονον αποπεφευγα , **36B** but this is indeed clear to all , that , if Anytos and Lycon had not come forward to accuse me , αλλα τουτο γε δηλον παντι , οτι , ει Ανυτος και Λυκων μη ανεβη κατηγορησοντες εμου , *then he* would have been fined a thousand drachmas , for not receiving the fifth part of the votes . καν ωφλε χιλιας δραχμας , ου μεταλαβων το πεμπτον μερος των ψηφων .

26 But on the other hand , the man thus proposes the penalty of death for me .
δ' ο ανηρ ουν Τιμαται θανατου μοι .
Well then ; what then shall I propose to thee as a real alternative , O gentlemen of Athens ?
ειεν : τινος δε εγω υμιν δη αντιτιμησομαι , ω ανδρες Αθηναιοι ,
Clearly that which I deserve ? What else ? What do I deserve to endure or to pay , because in my δηλον οτι η της αξιας ; τι ουν ; τι ειμι αξιος παθειν η αποτισαι , ο τι εν τω μαθων life I did not keep quiet , but neglecting what the many care for – money-making and property , βιω ουχ ηγον ησυχιαν , αλλ' αμελησας ωνπερ οι πολλοι , χρηματισμου τε και οικονομιας and military offices and public offices and the other offices and political parties and stations that και στρατηγιων και δημηγοριων και των αλλων αρχων και ξυνωμοσιων και στασεων arise in the city , being led to believe that myself was truly more reasonable than to be engaged των γιγνομενων εν τη πολει , ηγησαμενος εμαυτον τω οντι επιεικεστερον η ειναι ιοντα in them in order to be **Saved** , on the one hand , I **Refrained** from taking part in those activities , **36C** εις ταυτ' ωστε σωζεσθαι , μεν ηα ουκ ελθων ενταυθα , in which I would have been of no **Use** to thee nor myself , but on the other hand , devoted myself οι εμελλον ειναι μηδεν οφελος μητε υμιν μητε εμαυτου , δε ιων to conferring upon each citizen , individually , what I regard as , **The Greatest Benefit** ; το ευεργετειν επι εκαστον ιδια , εγω φημι ως , την μεγαιστην ευεργεσιαν , trying to persuade each of thee to care rather for **Thyself** , as to how one could be most **Good** επιχειρων πειθειν εκαστον υμων πριν επιμεληθειη εαυτου , ως οπως εσοιτο **βελτιστος** and most **Sound-Minded** , rather than to care for any of those that belong to thyself , και **φρονιμωτατος** , προτερον μη επιμελειςθαι μητε μηδενος των εαυτου ,

and rather to care for The Self of The City , rather than those things that belong to the city ,
 πριν της αυτης πολεως πριν μητε των της πολεως ,
 and to follow the same way in thine care for others . Therefore , being such a man as I am ,
 τε κατα ουτω τον αυτον τροπον επιμελεισθαι των αλλων : ουν ων τοιουτος ειμι
 what do I deserve to endure ? Something Good , O Athenian gentle men , if I must indeed
36D τι αξιος παθειν ; τι αγαθον , ω Αθηναιοι ανδρες , ει δει γε
 propose something that accords with that which I in **Truth** deserve ; and this Good , should be
 τιμασθαι κατα την τη **αληθεια** αξιαν : και ταυτα αγαθον αν
 something such as is indeed fitting/proper for me . What then , is fitting for a poor man
 ο τι τοιουτον γε προποι εμοι . τι ουν πρεπει πενητι ανδρι
 who is thine benefactor , who needs leisure to carry on thine encouragement ? There is nothing ,
 ευεργετη , δεομενω σχολην αγειν επι τη υμετερα παρακελευσει ; εσθ' ουκ ,
 O Athenian gentlemen , more proper than that such a man be kept thus at the expense of the city
 ω Αθηναιοι ανδρες , ο τι μαλλον πρεπει , ως τον τοιουτον ανδρα ουτως σιτεισθαι
 in the Prytaneion , which is indeed much more appropriate for me , than if any of thyself
 εν πρυτανειω , η γε μαλλον πολυ η ει τις υμων
 had won a race at the Olympic games with either a yoked-pair or double-pair of horses .
 νενικηκεν Ολυμπιασιν η ζευγει η ζυνωριδι ιππω .

(The Prytaneion or town-hall , consecrated to **Hestia** , to whom a perpetual fire was kept burning
 in it , which their Colonies brought from the Prytaneion of the mother-city . At Athens , the
 Prytanes had their meals there , and there , they entertained foreign ambassadors , and also
 citizens of high merit and the children of those who had fallen in battle . L/S Lexicon)

For on the one hand , he makes thee *seem* to be Blessed/Happy/Spiritually-well-off ,
 γαρ μεν ο ποιει υμας δοκειν ειναι **ευδαιμονας** (ευ-Good, **δαιμον**-Spirit) **Sym205,Rep354**) ,
 whereas on the other hand , I make thee to **Be Blessed** (Successful , Prosperous , Fortunate) ;
36E δε εγω ειναι
 and on the one hand , he is not at all in need of support , whereas , I am in need .
 και μεν ο ουδεν δειται τροφης δε εγω δεομαι .
 So if I must propose a judgment in accordance with that which I deserve ,
 ουν ει δει τιμασθαι το δικαιον κατα με της αξιας ,
 this I propose ; public maintenance in the Prytaneion .

37A τουτου τιμωμαι , σιτηδεως εν πρυτανειω .

Perhaps then by saying this , I may appear to thyself to be doing just like I also said
27 Ισως ουν λεγων ταυτι δοκω υμιν ωσπερ παραπλησιως και λεγειν
 about seeking pity and supplication ; by speaking out boldly . But that is not the case ,
 περι του οικτου και της αντιβολησεως , απαυθαδιζομενος : δε το εστιν ουκ τοιουτον ,
 O Athenians , but much rather as follows . I am convinced that I was never intentionally unjust
 ω Αθηναιοι , αλλα μαλλον τοιονδε . εγω πεπεισμαι ειναι μηδενα εκων αδικειν
 to any human being ; but I will not convince thee by saying this , for we have such a short time
 ανθρωπων , αλλα ου πειθω υμας τουτο : γαρ ολιγον χρονον
 to deliberate with each other . Since then , as I know , that if we had a **Law** just as other humans ,
 διειλεγμεθα αλληλοις : επει ,ως εγωμαι , ει υμιν ην νομος , ωσπερ και αλλοις ανθρωποις ,
 that cases concerning the death penalty , should not be decided upon in only one day , but many ,
37B περι θανατου μη κρινειν μονον μιαν ημεραν , αλλα πολλας ,
 then thou would have been persuaded . But now it has not been easy to dissolve many/great
 αν επεισθητε : δ' νυν ου ραδιον απολυεσθαι μεγαλας
 slanders in so short a time . Surely then being Self convinced that I am unjust to no-one ,
 διαβολας εν ολιγω χρονω . δη αυτος πεπεισμενος εγω αδικειν μηδενα

why indeed should I be unjust to myself and to say of myself , that I am worthy of anything bad ,
γε δεω πολλου αδικησειν εμαυτον και ερειν κατ' εμαυτου , ως ειμι αξιος του κακου
and to propose any penalty of that sort for myself . Why should I ? So that I may not suffer this ,
και τιμησεσθαι τινος τοιουτου εμαυτω . τι δεισας ; η μη παθω τουτο
that Meletos proposes for me , about which , I say , that I do not know whether it is good or evil ?
ου Μελητος τιμαται μοι , ο φημι ουκ ειδεναι ει εστιν ουτ' αγαθον ει ουτ' κακον ;
Instead of that , must I then choose that which I know well as being bad , and propose that ?

αντι τουτο δη ελωμαι ων οιδ' ευ οτι οντων κακων , τιμησαμενος του ;
37C Shall it be prison ? Why must I live in prison , a slave to those in charge for the time being ?
ποτερον δεσμου; και τι δει με ζην εν δεσμοτηριω , δουλευοντα τη καθισταμενη αρχη αιει ;
Or shall I propose a fine , and imprisonment , until it should be paid ? But that is the same to me
αλλα χρηματων , και δεδεσθαι , εως αν εκτισω ; αλλα εστιν ταυτον μοι
as what I said just now , for I have no money to pay . Shall I then propose exile ?

οπερ ελεγον δη νυν: γαρ μοι εστι ου χρηματα, εκτισω οποθεν . αλλα δη τιμησωμαι φυγης;
For perhaps thou would propose that for me. Then I would certainly have to be very fond of life .
γαρ ισως αν τιμησαιτε τουτου μοι . με αν μεντ' εχοι πολλη φιλοψυχια ,
Could I be so irrational , as not to be able reason , that if thou , on the one hand , who are my
ει ειμι ουτως αλογιστος , ωστε μη δυνασθαι λογιζεσθαι , οτι υμεις μεν οντες μου
fellow citizens could not endure experiencing my **Habits** and my **Logos** , but thou found **Them**
πολιται οιοι ουχ ενεγκειν εγενεσθε τας εμας διατριβας και τους λογους, αλλ' υμιν γεγ-
37D burdensome and hateful , so that thou are now seeking to be rid of **Selves** , but on the other
-ονασιν βαρυτεραι και επιφθονωτεραι , ωστε νυνι ζητειτε απαλλαγηναι αυτων , δε
hand , others then , will easily endure **Selves**? That is indeed far from the way it is , O Athenians.

αλλοι αρα ραδιως οισουσι αυτας ; γε πολλου δει , ω Αθηναιοι .
What a fine life I it would be for me if I went away , and for a man at my time of life , wandering
ουν καλος ο βιος αν ειη μοι εξελθοντι ανθρωπω τηλικωδε αμειβομενω
from one city to another and living on the run ! For I know well , that wherever I go , the young
εξ αλλην πολεως αλλης και ζην εξελαυνομενω . γαρ οιδ' ευ οτι , οποι αν ελθω , οι νεοι
will listen to my talk , just as they do here ; and if I should , on the one hand , drive them away ,
ακροασονται εμου λεγοντος , ωσπερ ενθαδε : καν μεν απελαυνω τουτους ,
selves will themselves persuade their elders to drive me out , but if , on the other hand , I do not
ουτοι πειθοντες αυτοι τους πρεσβυτερους εξελωσι εμε : εαν δε μη
37E drive them away , their fathers and relatives will drive me out for their own selves .

απελαυνω , τουτων οι πατερες τε και οικειοι δι' τουτους αυτους .

28 Perhaps then , someone might say :

Ισως ουν τις αν εποι :

“O Socrates , is it possible for thee not to go away from us but keep silent and lead a quiet life ?”

ω Σωκρατες , εσει οιος τ' ουχ αγων εξελθων υμιν δε σιγων και ησυχιαν ζην ;
Surely then this is the hardest of all to convince some of thee . For if on the one hand ,

δη τουτι εστι χαλεπωτατον παντων πεισαι τινας υμων . γαρ εαν τε
I say that such conduct makes me be disobedient to **The God** , and so on the other hand , through
λεγω οτι τουτ' εστιν απειθειν τω θεω και δια
this , it is impossible to keep quiet , thou will not be convinced by me , since thou believes that
τουτο αδυνατον αγειν ησυχιαν , ου πεισεσθε μοι ως
I am being dishonest ; and if in turn I should also say that this happens to be **The Greatest Good**
38A ειρωνευομενω : τ' εαν αυ και λεγω οτι τουτο τυγχανει ον μεγιστον αγαθων
for a human-being ; to bring forth **Logos**’ about **Excellence** and other **Virtues** every day ,

ανθρωπω , ποιεισθαι τους λογους περι αρετης και των αλλων εκαστης ημερας ,

about which thou hears me discussing and examining myself and others , since
περι ων υμεις ακουετε εμου διαλεγομενου και εξεταζοντος εμαυτον και αλλους , δε
the unexamined life is not worth living for a human-being , and therefore by saying this ,
ο ανεξεταστος βιος ου βιωτος ανθρωπω , δ' λεγοντι ταυτα
thou will believe me , even less . Yet on the one hand , these issues have to be so , O gentlemen ,
πεισεσθε μοι επι ηττον . δε μεν τα εχει ουτως , ω ανδρες ,
just as I say , on the other hand , it is not easy to convince thee . And , at the same time , I have
ως εγω φημι , δε ου ραδιον πειθειν . και αμα εγω
never in any way been accustomed to think that I deserve anything bad . For if , on the one hand ,
ουκ ουδενος ειθισμαι εμαυτον αξιουν κακου . γαρ ει μεν
I had money , I would have proposed a fine , as large as I could pay ; for that would be in no way
μοι ην χρηματα , αν επιμησαμην χρηματων οσα εμελλον εκτισειν : γαρ αν ουδεν
38B harmful . But on the other hand , as it is now , I have no money , unless of course
εβλαβην : δε εστιν νυν μοι γαρ ου ει μη αρα
thou are willing to impose such a fine such as I would be able pay . Then I might perhaps be able
βουλεσθε τιμησαι τοσουτου οσον εγω αν δυναιμην εκτισαι . δ' αν ισως δυναιμην
to pay thee a mina of silver ; thus , I propose such a penalty . However , Plato here , O gentlemen
εκτισαι υμιν μναν αργυριου : ουν τιμωμαι τοσουτου . δε Πλατων οδε , ω ανδρες
of Athens , and Criton and Critobulos and Apollodorus ask me to propose a fine
Αθηναιοι , και Κριτων και Κριτοβουλος και Απολλοδωρος κελευουσι με τιμησασθαι
of thirty minas , saying that selves will ensure its payment . Thus I propose a fine of that amount ,
τριακοντα μνων , δ' αυτοι εγγυασθαι : ουν τιμωμαι τοσουτου ,
38C and these men , being sufficiently resourceful , will insure the payment in silver to thee .
δε ουτοι αξιοχρεω εσονται του αργυριου υμιν .

The court votes : **Death** to Socrates !

29 *For which* it is indeed not a long time thou had to wait , O gentlemen of Athens ,
ενεκα γ' Ου πολλου χρονου εξετε , ω ανδρες Αθηναιοι ,
and for those who wish to rebuke the city under the name and blame , of having killed Socrates ,
των βουλομενων λοιδορειν την πολιν υπο ονομα και αιτιαν , ως απεκτονατε Σωκρατη ,
a wise man ; for , certainly , those who wish to revile thee will say I am wise , even though ,
σοφον ανδρα : γαρ δη οι βουλομενοι ονειδιζειν υμιν φησουσι με ειναι σοφον , ει και
I am not . Thus if thou had waited a little while longer , this that you chose , would have come to
ειμι μη . ουν ει περιμενινατε χρονον ολιγον , τουτο αν εγενετο
thee , of its own accord ; for thou certainly sees how old , how far advanced in life and that I am
υμιν , απο του αυτοματου : γαρ δη ορατε την ηλικιαν , πορρω ηδη του βιου δε οτι εστι
38D near **Death** . But this I say , not to all of thee , but to those that voted to condemn
εγγυς θανατου .δε τουτο λεγω ου προς παντας υμας ,αλλα προς τους καταψηφισαμενους
me to **Death** . Furthermore , to those selves , I also have the following **Logos** to say . Perhaps
εμου θανατον . δε προς τους τουτους αυτους και τοδε λεγω . ισως
thou thinks of me , O gentlemen , that I have been convicted through lack of such **Logos** , which
οιεσθε με , ω ανδρες , εαλωκεναι απορια τοιουτων λογων , οis
would have moved thee to let me go , if I had thought it necessary to do and say everything , so as
αν επισαι υμας , ει ωμην δειν ποιειν και λεγειν απαντα , ωστε
to gain an acquittal . This is far from the way it is indeed . For on the one hand , I have indeed not
την δικην αποφυγειν . πολλου δει γε . αλλ' μεν μεντοι ου
been convicted through a lack of **Logos** , but through a lack of recklessness and shamelessness ,
εαλωκα απορια λογων , αλλα τολμης και αναισχυντίας

and of a willingness to say to thee such things , which thou would have liked best to hear ;
και του εθελειν λεγειν προς υμας τοιαυτα , οι υμιν αν ην ηδιστα ακουειν ,
such as my weeping and wailing and doing and saying many other things which are also ,
τε μου θρηνουντος και οδυρομενου και ποιουντας και λεγοντος πολλα αλλα και ,
38E as I maintain , unworthy of myself ; yet surely such as thou are used to hear from others .
ως εγω φημι , αναξια εμου : και δη οια υμεις ειθισθε ακουειν των αλλων .
But neither did I at that time think that I must do anything -on account of the danger I was in-
αλλ' ουτε τοτε ωθητην δειν πραξαι ουδεν ενεκα του κινδυνου
illiberal of mind , **nor** do I now **repent** of having made my defense as I did , but I much rather
ανελευθερον , ουτε νυν μεταμελει μοι απολογησαμενω ουτως , αλλα πολυ μαλλον
prefer to die following such a defense , than to live after a defense of that other sort . For neither
αιρουμαι τεθναι ωδε τουτο απολογησαμενος η ζην εκεινως . γαρ ουτε
39A in a law-court , nor in battle should I nor any other person , plan to escape death by
εν δικη ουτ' εν πολεμω εμε ουτ' ουδεναν αλλον μηχανασθαι αποφευξεσθαι θανατον οπως
every possible means . And since during battle it often becomes clear, that someone might indeed
παν δει ποιων . και γαρ εν ταις μαχαις γιγνεται πολλακις δηλον , οτι τις αν γε
avoid death by flinging his shield and by begging for mercy from his pursuers ; and
το εκφυγοι αποθανειν και αφεις οπλα και εφ' τραπομενος ικετειαν των διωκοντων : και
there are many other deviant ways in every danger for escaping death , if , one
εισιν πολλαι αλλαι μηχαναι εν εκαστοις κινδυνοις , ωστε διαφευγειν θανατον , εαν τις
dares do and say anything . But this is not hard , O gentlemen , to escape death ; in so far as it is
τολμα ποιειν και λεγειν παν . αλλα τουτ' ου χαλεπον , ω ανδρες , εκφυγειν θανατον , η
39B much harder to escape vice , for that runs faster than death . And now , on the one hand ,
αλλα πολυ χαλεπωτερον πονηριαν : γαρ θει θαττον θανατου . και νυν μεν
since I am slow and old , I am **caught** by the slower runner , but on the other hand , my accusers ,
ατε εγω ων βραδυσ και πρεσβυτης εαλων **υπο** του βραδυτερου , δε εμοι οι κατηγοροι
who are terribly clever and sharp are **caught** by the faster , viciousness . And now I , on the one
ατε οντες δεινοι και οξεις **υπο** του θαττονος , της κακιας . και νυν εγω μεν
hand , shall go away , liable to thee **under** the sentence of death , but they , on the other hand ,
απειμι οφλων υμων **υφ'** δικην θανατου , ουτοι δ'
go away liable **under The Truth** , of depravity and injustice . And I at least abide by my penalty ,
ωφληκοτες **υπο** της αληθειας μοχθηριαν και αδικιαν . και εγωγε εμμενω τω τιμηματι
and they by theirs . I suspect that perhaps these selves also had to be in such a way ,
και ουτοι . που μεν ισως ταυτα και εδει σχειν ουτως ,
and I think Selves must exist in a **Measured Way** .
και οιμαι αυτα εχειν **μετριως** .

30 Surely then after this I wish to prophesy to thee , O accusers of mine ; and since I am
39C δη δε μετα τουτο επιθυμω χρησιμωδηςαι υμιν , ω καταψηφισαμενοι μου : και γαρ ειμι
already at the time , in which human-beings most prophesy ; when they are about to die .
ηδη ενταυθα , εν ω ανθρωποι μαλιστα χρησιμωδουσιν , οταν μελλωσιν αποθανεισθαι .
For I say to thee , O gentlemen , who have slain me , that punishment will come upon thee
γαρ φημι , ω ανδρες , οι απεκτονατε εμε , τιμωριαν ηξειν υμιν
immediately after my death , far more difficult , by **Zeus** , than the punishment of death which
ευθυς μετα εμον τον θανατον πολυ χαλεπωτεραν νη Δια η οταν
thou have measured out to me . But now , thou has done this , because thou imagined that
απεκτονατε εμε : γαρ νυν ειργασθε τουτο οιομενοι
thou would be liberated from rendering an account of your lives . However , the very opposite ,
απαλλαξεσθαι του διδοναι ελεγχον του βιου , δε το πολυ εναντιον

39D as I predict , will happen to thee . Those who will make thee give an account will be plenty ;
 ως εγω φημι , αποβησεται υμιν . οι ελεγ- υμας -χοντες εσονται πλειους ,
 those whom I have restrained until now , though you knew it not ; and they will be tougher ,
 ους κατειχον νυν , δε υμεις ησθανεσθε ουκ : και εσονται χαλεπωτεροι
 since they are younger , and thou will be more annoyed . For if thou imagined that by putting
 οσω εισιν νεωτεροι , και υμεις μαλλον αγανακτησετε . γαρ ει οιεσθε απο-
 people to death thou will prevent anyone from reproaching thee , because thou does not live
 ανθρωπους -κτεινοντες επισησειν τινα του ονειδιζειν υμιν , οτι ουκ ζητε
 uprightly , thou are mistaken . For that self deliverance is not in any way possible nor good ,
 ορθως διανοεισθε : γαρ η αυτη απαλλαγη εσθ' ουτε πανυ δυνατη ουτε καλη ,
 but that most beautiful and easy deliverance , is not by suppressing others , but
 αλλ' εκεινη και καλλιστη και ραστη , μη κολουειν τους αλλους , αλλ'
39E by readily offering-up thyself to be made as good as possible . Thus on the one hand
 παρασκευαζειν εαυτον εσται ως βελτιστος οπως . ουν μεν
 with these prophecies to thee who voted for my condemnation , I take my leave .
 ταυτα μαντευσαμενος υμιν τοις καταψηφισαμενος απολλαττομαι .

31 On the other hand , to those who voted for my acquittal , I would like to converse about this
 δε Τοις αποψηφισαμενος αν ηδεως διαλεχθειην υπερ τουτου
 business which has come to pass , while the magistrates make arrangements and I await to go
 πραγματος του γεγονοτος , εν ω οι αρχοντες αγουσι ασχολιαν και ουπω ερχομαι
 to the place where I must die . Thus remain with me at this time , O gentlemen , for nothing
 οι ελθοντα με δει τεθναναι . αλλα παραμεινατε μοι τοσουτον χρονον , ω ανδρες , ουδεν
40A prevents our story-telling with each other , as long as there is time . For by being Friends ,
 κωλυει διαμυθολογησαι προς αλληλους , εως εξεστιν . γαρ ως ουσιν φιλοις
 I wish to show thee the real meaning of what has happened to me now . For , O my gentlemen
 εθελω επιδειξαι υμιν το νοει ποτε τι ξυμβεβηκος μοι νυνι . γαρ , ω εμοι ανδρες
 judges - for by calling thee judges I have named thee correctly – something wonderful has come
 δικαστοι – γαρ καλων υμας δικαστας αν καλοιην ορθως – τι θαυμασιον γε-
 to pass ! For on the one hand , in times past , my customary **Prophetic Spirit** , has always
 -γονεν . γαρ μεν εν τω χρονω προσθεν ειωθυια **η μαντικη του δαιμονιου** αει
 sagaciously spoke to me quite frequently to oppose me , even in the smallest matters , if I was
 πυκνη μοι πανυ παντι εναντιουμενη πανυ επι σμικροις ει ην
 going to do anything I should not ; but now on the other hand , just as Selves also See , this ,
 μελλοιμι πραξιν τι ορθως μη : νυνι δε απερ αυτοι και ορατε , ταυτι
 which is certainly imagined , and may indeed be considered by some , “the extreme of evils” ,
 α δη οιηθειη και αν γε ειναι νομιζεται τις εσχατα κακων
40B has come upon me . But **The Divine Sign** did not opposed me when I left my home
 ξυμβεβηκε μοι . δε **του θεου το σημειον** ουτε ηναντιωθη εμοι εξιοντι οικοθεν
 in the morning , nor at the time when I came here to court , nor at any point during my **Logos** ,
 εωθεν , ουτε ηνικα ανεβαιον ενταυθοι επι το δικαστηριον , ουτε ουδαμου εν τω λογω
 when I was about to say anything ; and yet during other **Logos** it certainly stopped me many times
 μελλοντι ερειν τι : καιτοι εν αλλοις λογοις δη επεσχε πολλαχου
 in the middle of a speech ; but now in regards to this affair , it has not opposed me in any way
 μεταξυ λεγοντα : δε νυν περι ταυτην την πραξιν ουτ' ηναντιωται μοι ουδαμου
 in anything I did nor in anything I said . What then do I understand is the **Cause** ? I will tell thee .
 εν ουδενι εργω ουτ' εν λογω . τι ουν υπολαμβανω ειναι αιτιον ; εγω ερω υμιν :
 For I dare say , that this that has happened to me , has come to be **Good** , and those of thee
 γαρ κινδυνευει τουτο το ξυμβεβηκος μοι γεγονεναι αγαθον , και οσοι ημεις

40C who imagine that **Death** is bad , do not in any way correctly **grasp** the way it does exist .
οιομεθα **το τεθναναι** ειναι κακον , ουκ οπως ορθως **υπολαμβανομεν** εσθ'.

A **Great Sign** of this has come to pass for me ; for would not my customary sign present itself
μεγα τεκμηριον τουτου γεγονεν μοι : γαρ αν ουκ το ειωθος σημειον εσθ'
in some way to oppose me , if I was not going to bring forth **Something Good** ?
οπως ουκ ηναντιωθη μοι , ει εγω μη εμελλον πραξειν τι αγαθον .

32 But let us consider it in this way also , by how much hope there is that **Self** is **Good** .

δε Εννοησωμεν τηδε και , ως πολλη ελπις ειναι **αυτο** εστιν αγαθον .
For **Death** is one of two states/conditions : for either **It** is nothingness , such as that the dead
γαρ **το τεθναναι** εστιν θατερον δυοιν : γαρ η ειναι μηδεν οιον τον τεθνεωτα
possess not any perception of anything , or it happens to be according to the way some say it is ;
εχειν μηδε μεδεμιαν αισθησιν μηδενος , η τυγχανει ουσα τα κατα τις λεγομενα
a **Transformation** and a **Transmigration** of the **Soul** from this place to another place .

μεταβολη και μετοικησις τη ψυχη του ενθενδε του τοπου εις αλλον τοπον .

40D And if it is a perception of nothing , but like a sleep , in which the sleeper does not even see
και ειτε εστιν αισθησις μηδεμια , αλλ' οιον υπνος , επειδαν τις καθευδων μηδεν μηδ' ορα
a dream , then death would be a wonderful gain . For I suspect , that if anyone had to select
οναρ , ο θανατος αν ειη θαυμασιον κερδος . γαρ εγω αν οιμαι , ει τινα δεοι εκλεξαμενον
that same night , in which they slept in this way , when they saw not one dream , and by com-
ταυτην την νυκτα , εν η κατεδαρθεν ουτω , ωστε ιδειν μηδε οναρ , και αντι-
-paring that night with other nights and days of their life ,

-παραθεντα ταυτη τη νυκτι τας αλλας νυκτας τε και ημερας του εαυτου τας του βιου
then after due consideration said , how many days and nights in their life had passed more better
δεοι σκεψαμενον ειπειν , ποσας ημερας και νυκτας εν τω εαυτου βιω βεβιωκεν αμεινον
and more pleasantly than *that same* night , I would suspect that not only any private person , but
και ηδιον ταυτης της νυκτος , αν οιμαι οτι μη τινα ιδιωτην , αλλα

40E even the great King **Self** would discover that *those* days and nights in comparison with other
τον μεγαν βασιλεα αυτον αν ευρειν ταυτας ημερας και νυκτας προς τας αλλας
days and nights , would be few . Therefore if such is the nature of **Death** , I at least , say **It** is a

ευαριθμητους . ουν ει τοιουτον εστιν ο θανατος , εγωγε λεγω
gain ; for in that case , all **Time** would surely appear to be in this way ; no longer than one night .
κερδος : γαρ και πας ο χρονος δη δη φαινεται ειναι ουτω ουδεν πλειων η μια νυξ .
But if on the other hand , **Death** is in turn , *like a Journey* abroad , from here to **That** other place ,

δ' ει ο θανατος εστιν αυ , οιον αποδημησαι ενθενδε εις αλλον τοπον ,
41A and if what we are **Told** is **True** ; that all the dead exist **There** , then what **Greater Good**
και τα λεγομενα εστιν αληθη , ως απαντες οι τεθνεωτες εισιν εκει , αρα τι μειζον αγαθον
could there be , O gentlemen judges ? For if a **Soul** arrives in **Hades** , after being **Liberated** from

αν ειη , ω ανδρες δικασται ; γαρ ει τις αφικομενος εις Αιδου , απαλλαγεις τουτων
those who pretend to be judges , shall find those who are **Truly** judges , and **Where** they are said
των φασκοντων ειναι δικαστων , ευρησει τους αληθως δικαστας , και οιπερ λεγονται
to sit in judgment in **That** place , **Minos** and **Rhadamanthus** , and **Aiacos** and **Triptolemos** , and

δικαζειν εκει , Μινως τε και Ραδαμανθυς και Αιακος και Τριπτολεμος και
those others that became **Half-Gods** by having been **Just** in the life of **Selves** ; Then would such
οσοι αλλοι τωνεγενετο ημιθεων δικαιοι εν τω βιω εαυτων , αρα αν η
a **Journey** be a petty affair ? Or in turn , what **Value** would any of thee place upon meeting with
αποδημια ειη φαυλη ; η αυ τις αν ποσω αν υμων δεξαιτ' επι ξυγγενεσθαι

Orpheus and **Musaeus** and **Hesiod** and **Homer** ? *I for one , am willing to Die many times over ,*
Ορφει και Μουσαιο και Ησιοδω και Ομηρω ; εγω γαρ μεν θελω τεθναναι πολλακις ,

if these **Logos** are **True** ; since my **Very Self** would find the way life in **That** place wonderful ,
 ει ταυτ' εστιν αληθη : επει εμοιγε αυτω αν ειη η διατριβη αυτοθι θαυμαστη ,
41B if ever I should meet **Palamedes** or **Aias** the son of Telamon , or if I should meet any
 ποποτε εντυχοιμι Παλαμηδει και Αιαντι τω Τελαμωνος και ει τις
 other braves of old who died through an unjust judgment , comparing my life experience with
 αλλος παλαιων τεθνηκεν δια αδικον κρισιν , αντιπαραβαλλοντι εμαυτου τα παθη προς
 theirs ; that way of life , as I suspect , would not be unpleasant . And surely then , **The Greatest**
 τα εκεινων , ως εγω οιμαι , αν ουκ ειη αηδης . και δη το μεγαιστον
Pleasure would be to pass time in examining and investigating those **There** , just as I do those
 διαγειν εξεταζοντα και ερευνωντα τους εκει ωσπερ τους
 here , to find out who among them is wise and who thinks he is wise , but is not . What **Value**
 ενταυθα , τις αυτων εστιν σοφος και τις οιεται μεν , δ' εστιν ου . τις ποσω
 would anyone place then , O gentlemen judges , to be able to examine **him** who led the great
 αν τις δεξαιτο επι δ' , ω ανδρες δικασται , εξετασαι τον αγαγοντα την πολλην
41C army against Troy , or **Odysseus** , or **Sisyphus** , or countless others , both men and women ,
 στρατιαν επι Τροιαν η Οδυσσεα η Σισυφον η μυριους αλλους και ανδρας και γυναικας
 whom I might mention ? To converse and associate and examine along with them , would be
 αν ειποι ; διαλεγεσθαι και ξυνειναι και εξεταζειν οis εκει , αν ειη
Immeasurably Valuable Happiness . If indeed what we are **Told** is **True** , then without a doubt
 αμχανον ευδαιμονιας . ειπερ γε τα λεγομενα εστιν αληθη δηπου
 those beings **There** do not in any way kill each other for the sake of **This** ; for those **There**
 οι εκει ου παντως αποκτεινουσι ενεκα τουτου : γαρ οι εκει
 are indeed already **Immortal (Exempt from Death)** for the remainder of **Time** , besides being
 εισιν γε ηδη αθανατοι τον λοιπον χρονον τε και εισιν
More-Blessed/Happy/Fortunate/Spiritually-Well-Off in other respects than those here .
 ευδαιμονεστεροι τα αλλα των ενθαδε .

33 But thou , O gentlemen judges , must also regard **Death** to be of **Good-hope** and must
 Αλλα υμας , ω ανδρες δικασται , χρη και προς τον θανατον ειναι ευελπιδας , και
41D bear in mind this single **Truth** ; that nothing bad can happen to a good man neither in life
 εν διανοεισθαι τουτο τι αληθης , οτι ουδεν κακον εστιν αγαθω ανδρι ουκ ουτε ζωντι
 nor in **Death** , nor will their affairs of life and of **Death** be neglected by **The Gods** . Nor has
 ουτε τελευτησαντι , ουδε τα πραγματα τουτου αμελειται υπο θεων . ουδε
 this present affair of mine come to be accidentally , but this is clear to me , *that it was Better*
 τα νυν εμα γεγονεν απο του αυτοματου , αλλα τουτο εστι δηλον μοι , οτι ην βελτιον
for me to Die now and be Liberated from troubles . By **Reason** of this , **The Sign** never interfered
 μοι τεθναι ηδη και απηλλαχθαι πραγματων . δια τουτο το σημειον ουδαμου απετρεψεν
 with me , and I at least am not in the least bit perturbed with those who condemned me or with my
 και εμε , και εγωγε ου πανυ χαλεπαινω τοis καταψηφισαμενοις και μου
 accusers . And yet it was not with *that understanding* that they condemned and accused me ,
 τοis κατηγοροις . καιτοι ου ταυτη τη διανοια καταψηφιζοντο και κατηγορουν μου ,
41E but because they imagined they could harm me . For this selves deserve to be censured .
 αλλ' οιομενοι βλαπτειν : τουτο αυτοis αξιον μεμφεσθαι
 However , the following injunction I set upon selves : When my sons grow up , come to their aid ,
 μεντοι τοσονδε δεομαι αυτων : επειδαν μου τους υιεις ηβησωσι , τιμωρησασθε ,
 O gentlemen , by annoying them with these matters just as I have annoyed thee with them ;
 ω ανδρες , λυπουντες ταυτα απερ εγω ελυπουν υμας ταυτα ,
 if they should appear to thee to care either for money or anything else , more than they care
 εαν και δοκωσιν υμιν επιμελειςθαι η χρηματων η του αλλου προτερον η

for **Virtue/Excellence** , and if they should think they amount to something when they do not ,
αρετες , και εαν δοκωσι ειναι τι οντες μηδεν ,
reprimand selves , just as I have reprimanded thee , since they do not care for what they should ,
ονειδιζετε αυτοις , ωσπερ εγω υμιν , οτι ουκ επιμελουνται ων δει ,
and imagine they amount to something when they are worth nothing .

και οιονται ειναι τι οντες αξιοι ουδενος .

42A And if thou does this , both I Self and my sons shall have received **Just** treatment

και εαν ποιητε ταυτα , τε εγω αυτος και οι υιεις εσομαι **δικαια** πεπονθως
from thee . But for now , the hour has come to go forth .

υφ' υμιν . αλλα γαρ ηδη ωρα απιεναι
myself on the one hand , go to **Die** , but thyself on the other hand , to live ;

εμοι μεν αποθανουμενω , υμιν δε βιωσομενοις :
but which of us goes to **The Better** tour of duty/business , is unclear to all ,
δε οποτεροι ημων ερχονται επι **αμεινον** πραγμα , αδηλον παντι
except than to **The God** .

πλην η τω θεω .
